

Concord Medical Services Holdings Limited Engages Solebury Communications Group LLC to Establish a Strategic Investor Relations Program

February 1, 2012

BEIJING, Feb. 1, 2012 /PRNewswire-Asia-FirstCall/ -- Concord Medical Services Holdings Limited ("Concord Medical", or the "Company") (NYSE: CCM), a leading specialty hospital management solution provider and operator of the largest network of radiotherapy and diagnostic imaging centers in China, today announced that it has engaged Solebury Communications Group LLC ("Solebury") as its strategic investor relations advisor. The decision to retain Solebury reinforces Concord Medical's dedication to attain fair value for its shareholders and bolster its investor communications.

Solebury brings equity capital markets expertise to the investor relations industry, in-depth knowledge of investor needs and the skill-set and access necessary to properly position Concord Medical to unlock shareholder value. Solebury has a strong commitment to Asia, with a unique business model designed for connecting foreign issuers with the U.S. capital markets.

"We are excited to be working with Solebury as our new investor relations advisor," said Adam (Jigang) Sun, the acting Chief Financial Officer of Concord Medical. "As we continue to expand our presence as the leading specialty hospital management solution provider and operator of radiotherapy and diagnostic imaging centers in China, we are focused on developing a top-rated investor relations program to effectively communicate Concord Medical's strategic plan and long-term goals to our investors. We are confident that Solebury's team will enhance our communication initiatives to ensure that our investment strategy is fully understood by investors."

About Concord Medical

Concord Medical Services Holdings Limited operates the largest network of radiotherapy and diagnostic imaging centers in China, measured by revenues and the number of centers in operation. As of September 30, 2011, the Company operated a network of 128 centers with 70 hospital partners that spanned 48 cities and 24 provinces and administrative regions in China. Under long-term arrangements with top-tier hospitals in China, Concord Medical provides radiotherapy and diagnostic imaging equipment and manages the daily operations of these centers, which are located on the premises of its hospital partners. The Company also provides ongoing training to doctors and other medical professionals in its network of centers to ensure a high level of clinical care for patients.
