

Shanghai Concord Medical Cancer Center has Accepted Medical Insurance Settlement from Patients from certain Yangtze River Delta Regions

July 23, 2019

BEIJING, July 23, 2019 /PRNewswire/ -- Concord Medical Services Holdings Limited ("Concord Medical" or the "Company") (NYSE: CCM), a leading specialty hospital management solutions provider and an operator of the network of radiotherapy and diagnostic imaging centers in China, today announced that Shanghai Concord Medical Cancer Center (also known as Shanghai Meizhong Jiahe Cancer Center) has become a designated hospital in Shanghai, allowing the general outpatient services and the major outpatient services (including radiotherapy and chemotherapy for malignant tumors) to be settled by medical insurance according to the standard of the local third-level hospitals.

In addition, according to the latest release of Shanghai Medical Insurance Management Center, effective July 22, 2019, patients from certain Yangtze River Delta regions⁽¹⁾ can now settle the general outpatient services at Shanghai Concord Medical Cancer Center through medical insurance.
