Goldman Sachs & Gao Hua China Healthcare Corporate Day to be held on April 18, 2012 at Cheung Kong Center in Hong Kong.

For more information regarding these two events, please contact your respective institutional sales representative.

About Concord Medical

Concord Medical Services Holdings Limited operates the largest network of radiotherapy and diagnostic imaging centers in China, measured by revenues and the number of centers in operation. As of December 31, 2011, the Company operated a network of 131 centers with 73 hospital partners that spanned 51 cities and 24 provinces and administrative regions in China. Under long-term arrangements with top-tier hospitals in China, Concord Medical provides radiotherapy and diagnostic imaging equipment and manages the daily operations of these centers, which are located on the premises of its hospital partners. The Company also provides ongoing training to doctors and other medical professionals in its network of centers to ensure a high level of clinical care for patients.
