

Concord Medical Services Files 2010 Annual Report on Form 20-F

June 29, 2011

BEIJING, June 29, 2011 /PRNewswire via COMTEX/ --

Concord Medical Services Holdings Limited ("Concord Medical" or the "Company") (NYSE: CCM), the operator of the largest network of radiotherapy and diagnostic imaging centers in China, today announced that on June 28, 2011, it filed its annual report on Form 20-F for the year ended December 31, 2010 with the U.S. Securities and Exchange Commission. The report can be accessed on Concord Medical's investor relations website at <http://ir.cmsholdings.com>. Shareholders may also request a paper copy of the Company's complete audited financial statements, free of charge, by contacting the Company at ir@concordmedical.com.

About Concord Medical

Concord Medical operates the largest network of radiotherapy and diagnostic imaging centers in China, measured by revenues and the number of centers in operation. As of March 31, 2011, the Company operated a network of 121 centers with 68 hospital partners that spanned 46 cities and 24 provinces and administrative regions in China. Under long-term arrangements with top-tier hospitals in China, Concord Medical provides radiotherapy and diagnostic imaging equipment and manages the daily operations of these centers, which are located on the premises of its hospital partners. The Company also provides ongoing training to doctors and other medical professionals in its network of centers to ensure a high level of clinical care for patients.
