Calculation of Filing Fee

Transactional Valuation*	Amount of Filing Fee**
\$ 124,470,161	\$ 14,426.09

* The transaction valuation is estimated solely for purposes of calculating the filing fee pursuant to Rule 0-11(b) under the Securities Exchange Act of 1934, as amended (the "Securities Exchange Act"). The calculation assumes the purchase of all issued and outstanding Shares (including Shares represented by ADSs) of the Issuer (other than the 59,770,876 Shares (including Shares represented by ADSs) of the Issuer already beneficially owned by the Morgancreek Parties) at a purchase price of \$1.73 per Share in cash, or \$5.19 per ADS in cash (less \$0.05 per ADS cancellation fees pursuant to the terms of the deposit agreement governing the ADSs), and in each case, without interest and net of any applicable withholding taxes. There were 71,948,070 Shares, including Shares represented by ADSs, of the Issuer issued and outstanding that were not beneficially owned by the Morgancreek Parties as of February 9, 2017.

** The amount of the filing fee is calculated in accordance with Regulation 240.0-11 of the Securities Exchange Act and the Securities and Exchange Commission Fee Rate Advisory #1 for Fiscal Year 2017. The fee is calculated by multiplying the transaction valuation by 0.00011590.

SUMMARY TERM SHEET

This “Summary Term Sheet” summarizes the material information contained in the remainder of this Transaction Statement on Schedule 13E-3 regarding the proposed “going private” merger, referred to herein as the “Merger” and related transactions involving Concord Medical Services Holdings Limited, referred to herein as “CCM”, “Company” or “Issuer”. As a result of the Merger, the ADSs will cease to be listed on the New York Stock Exchange and CCM will no longer be required to file annual reports and other periodic reports with the Securities and Exchange Commission, or SEC. It does not contain all of the information that may be important to you. You should read this entire Schedule 13E-3 and the other documents to which this Schedule 13E-3 refers for a more complete understanding of the transactions being contemplated, how it affects you, what your rights are with respect to the Merger as a holder of Shares or ADSs of CCM and the position of the Filing Persons (described below) on the fairness of the Merger to you. The Filing Persons are required to file this Schedule 13E-3 pursuant to Section 13(e) of the Securities Exchange Act of 1934, as amended, referred to herein as the Securities Exchange Act, and Rule 13e-3 thereunder. References to “Dollars” or “\$” in this Schedule 13E-3 are to United States Dollars.

Purposes of the Merger (Page 1)

The purpose of the Merger is to effect a going-private transaction with respect to the Company. Mr. Jianyu Yang (the “Chairman”), Shanghai Hui Fu Science and Technology Development Co., Ltd. (“Hui Fu”), Ms. Bi Zhang, Oakville Holdings Group Limited (“Oakville”), Cherrylane Investments Limited (“Cherrylane”), Mr. Zheng Cheng, Shanghai Jian Qian Science and Technology Development Co., Ltd. (“Jian Qian”), Bluestone Holdings Limited (“Bluestone”) and Morgancreek Investment Holdings Limited (“Morgancreek”, together with the Chairman, Hui Fu, Ms. Bi Zhang, Oakville, Cherrylane, Mr. Zheng Cheng, Jian Qian, and Bluestone, collectively referred to herein as the “Morgancreek Parties”), are currently the beneficial owners of approximately 45.7% of the outstanding Shares, par value US\$0.0001 per Share of CCM. Prior to the Merger as described below, Morgancreek will propose to enter into a contribution agreement with Concord Merger Sub Limited, referred to herein as “Merger Sub”, to contribute, subject to certain conditions, all the Shares it holds to Merger Sub. Upon such Proposed Contribution (as defined below), Merger Sub will directly hold approximately 66.1% of the total outstanding Shares, representing approximately 91.8% of the total voting power of all outstanding Shares. Morgancreek intends to cause Merger Sub to merge with the Company in a “short-form” merger, with the Company continuing as the surviving corporation after the Merger, as a means of acquiring all of the other Shares (including Shares represented by ADSs) of the Company not owned directly or indirectly by the Morgancreek Parties and the Merger Sub immediately after the Proposed Contribution and providing a source of immediate liquidity to the holders of such Shares. Following the Merger, the Company will be a wholly-owned subsidiary of Morgancreek.

Principal Terms of the Merger and Related Transactions (Page 2)

Creation of Dual-Class Shares; the Authorized Repurchase and Issue

In January 2015, pursuant to a special shareholders' resolution, the fourth amended and restated memorandum and articles of association of CCM (the "Amended MA&A") were adopted, which re-designated (the "Re-designation") the authorized shares of CCM into Class A ordinary shares, which entitle holders thereof to one vote per share (the "Class A Ordinary Shares"), and Class B ordinary shares, which entitle holders thereof to ten votes per share (the "Class B Ordinary Shares", together with Class A Ordinary Shares, the "Shares"), provided that a Class B Ordinary Share will be automatically converted into a Class A Ordinary Share if it is transferred to anyone who is not the registered holder or beneficial owner or affiliate to the registered holder or beneficial owner of the Class B Ordinary Share.

In addition, the board of directors of CCM authorized the repurchase of 45,787,948 Class A Ordinary Shares held by Morgancreek for their aggregate par value in consideration for the issue of the same number of Class B Ordinary Shares at their par value (the "Authorized Repurchase and Issue"). As of the date hereof, the Authorized Repurchase and Issue has not yet been implemented because the 45,787,948 Class A Ordinary Shares held by Morgancreek were pledged to certain lender of Morgancreek at the time of such authorization and remain encumbered as of the date hereof. The Morgancreek Parties propose to implement the Authorized Repurchase and Issue after at least 30 days following the filing of this Schedule 13E-3 and once Morgancreek has obtained the requisite waiver and consent from the lender.

Carlyle and Solar Purchase

On July 11, 2016, Morgancreek entered into a share purchase agreement (the "Carlyle SPA") with Carlyle Asia Growth Partners III, L.P. and CAGP III Co-Investment, L.P., (together "Carlyle") to purchase 13,086,350 Class A Ordinary Shares from Carlyle, and entered into a share purchase agreement (the "Solar Honor SPA") with Solar Honor Limited ("Solar Honor") to purchase 14,163,325 Class A Ordinary Shares from Solar Honor. The Carlyle SPA and the Solar SPA were previously filed as exhibits to Amendment No. 2 of Schedule 13D filed by the Morgancreek Parties on July 11, 2016. The purchase price per Share under both Carlyle SPA and Solar Honor SPA is \$1.73, and will be adjusted upward to equal the higher price per Share applicable in any liquidity event, including any consummation of any tender offer for the Shares, any merger of CCM or any event having similar effects to the foregoing, within 10 months after the closing under the Carlyle SPA or the Solar Honor SPA, as the case may be. The Carlyle SPA and the Solar Honor SPA have a long-stop date of March 11, 2017, after which the parties thereto may terminate the Carlyle SPA and the Solar Honor SPA, as the case may be, if the closings thereunder have not yet occurred by then. The Morgancreek Parties expect to complete the transactions contemplated under the Carlyle SPA and the Solar Honor SPA after at least 30 days following the filing of this Schedule 13E-3.

The Merger and No Shareholder Vote Requirement

Merger Sub is a Cayman Islands exempted company newly formed with Morgancreek being the sole member for the purpose of effecting a merger with CCM. Morgancreek plans to enter into a contribution agreement with Merger Sub to contribute, subject to certain conditions, all the Shares it holds to Merger Sub, which will include:

- 45,787,948 Class B Ordinary Shares upon the implementation of the Authorized Repurchase and Issue;

- 13,982,928 Class A Ordinary Shares issuable upon the cancellation of 4,660,976 ADSs it holds as of the date hereof;
- 13,086,350 Class A Ordinary Shares to be acquired from Carlyle pursuant to the Carlyle SPA; and
- 14,163,325 Class A Ordinary Shares to be acquired from Solar Honor pursuant to the Solar Honor SPA.

Upon such proposed contribution (the “Proposed Contribution”), Merger Sub will directly hold approximately 66.1% of the total outstanding Shares, representing approximately 91.8% of the total voting power of all outstanding Shares.

The Morgancreek Parties plan to propose that the board of directors of Merger Sub and board of directors of CCM consent to, execute and adopt an agreement and plan of merger once all financing required for the Merger has been secured. The agreement and plan of merger will govern the terms of the Merger. At any time beginning the latest to occur of the following of (i) at least 30 days following the filing of this Schedule 13E-3, or such later time as may be required to comply with Rule 13e-3 under the Securities Exchange Act and all other applicable laws, (ii) the implementation of the Authorized Repurchase and Issue, (iii) the closing of the Carlyle SPA and the Solar SPA, (iv) the execution of the definitive agreement for the Proposed Contribution, and (v) the consent, execution and adoption of the agreement and plan of merger governing the terms of the Merger by the board of directors of each of Merger Sub and CCM, Morgancreek expects to cause Merger Sub to merge with and into CCM in a “short-form” merger under Section 233(7) of the Companies Law (2016 Revision) of the Cayman Islands (the “Cayman Companies Law”). Holder of Shares of CCM will not be entitled to vote their Shares with respect to the Merger, but will be entitled to dissenters’ rights in accordance with Section 238 of the Cayman Companies Law. CCM will be the surviving corporation in the Merger without approval of the holders of Shares of CCM. Before the effective date of the Merger, a copy of the agreement and plan of merger for the Merger will be provided to each holder of Shares (including Shares represented by ADSs) of CCM pursuant to Section 233(7) of the Cayman Companies Law.

Merger Consideration

At the effective time of the Merger, each of the outstanding Shares, including Shares represented by ADSs, other than (a) the Shares and ADSs beneficially owned by (i) the Morgancreek Parties and the Merger Sub as of the completion of the Proposed Contribution, (b) any Shares owned by shareholders who have validly exercised and have not effectively withdrawn or lost their dissenters’ rights under the Cayman Islands Companies Law (the Dissenting Shares, and together with (a), the “Excluded Shares”), will be cancelled in exchange for the right to receive \$1.73 per Share in cash without interest, and for the avoidance of doubt, because each ADS represents three Shares, each outstanding ADS (other than any ADS that represents Excluded Shares) will represent the right to receive \$5.19 per ADS in cash without interest (less \$0.05 per ADS cancellation fees pursuant to the terms of the deposit agreement governing the ADSs), in each case, net of any applicable withholding taxes.

The Excluded Shares other than Dissenting Shares will be automatically cancelled at the effective time of the Merger without payment of any consideration. Each outstanding Dissenting Share will be cancelled and their holders who have validly exercised and have not effectively withdrawn or lost their dissenters' rights under the Cayman Islands Companies Law would cease to have any of the rights of a member except for the right to be paid the fair value of such Dissenting Shares in accordance with the Cayman Islands Companies Law.

Shares Outstanding; Ownership by Morgancreek Parties

As of the date hereof, a total of 131,718,946 Shares of CCM are issued and outstanding, including (i) 84,702,904 Class A Ordinary Shares, (ii) 45,389,073, and (iii) 1,626,969 restricted Class A Ordinary Shares granted under the Company's share incentive plans (the restriction on which will lapse at the completion of the Merger). As of the date hereof, no Class B Ordinary Shares of CCM are outstanding. As of the date hereof, the Morgancreek Parties were, in the aggregate, beneficial owners of 45,787,948 Class A Ordinary Shares and 4,660,976 ADSs, which represent approximately 45.4% of the total outstanding Shares of CCM, or approximately 45.4% of the voting power of all outstanding Shares of CCM, and assuming the (i) implementation of the Authorized Repurchase and Issue, (ii) completion of the closing under the Carlyle SPA and (iii) completion of the closing under the Solar Honor SPA, would represent 66.1% of the total outstanding Shares of CCM, or approximately 91.8% of the voting power of all outstanding Shares of CCM. See Item 11 "Interest in Securities of the Subject Company" beginning on page 42.

In addition, as of the date hereof, the Chairman holds options to purchase 825,932 Class A Ordinary Shares from CCM upon the exercise of his employee share options that are exercisable as of the date hereof or within 60 days from the date hereof, and Zheng Cheng holds options to purchase 825,932 Class A Ordinary Shares from CCM upon the exercise of his employee share options that are exercisable as of the date hereof or within 60 days from the date hereof. All of CCM's outstanding employee share options, whether or not vested as of the date hereof, including those held by the Chairman and Zheng Cheng, have exercise prices per Share ranging from \$2.04 to \$3.67, which are higher than the per Share merger consideration. Therefore, the Morgancreek Parties expect to propose to the board of directors of CCM to cancel all its outstanding employee share options, whether or not vested, at the effective time of the Merger.

Source and Amount of Funds

The total amount of funds expected to be required by the Morgancreek Parties to complete the respective share purchases under the Carlyle SPA and the Solar SPA is approximately \$47,141,937. The total amount of funds expected to be required to pay the aggregate merger consideration is approximately \$77,328,223.

The Filing Persons expect to finance the respective share purchases under the Carlyle SPA and the Solar SPA through the proceeds from the promissory notes to be issued by Morgancreek to Blue Ocean Structure Investment II Company Limited, a special purpose vehicle incorporated in the British Virgin Islands (“Blue Ocean SPV”) and wholly-owned by Blue Ocean Project Fund II, LP, a Cayman Islands exempted limited partnership (“Blue Ocean Fund”), which in turn, is managed by Blue Ocean Management Limited (Blue Ocean Management Limited, together with Blue Ocean SPV and Blue Ocean Fund, the “Blue Ocean Parties”) in an amount of no less than US\$56,650,000 (the “Blue Ocean Notes”) pursuant to a note subscription agreement (the “Blue Ocean Note Subscription Agreement”) dated February 9, 2017 by and among Blue Ocean SPV, Blue Ocean Fund, Morgancreek and the Chairman. The remaining proceeds from the Blue Ocean Notes will be used to partially repay the existing indebtedness of Morgancreek, interest payment and the fees and expenses under or in connection with the Blue Ocean Notes. The Filing Persons expect to finance the aggregate merger consideration through potential senior debt financing from certain banks to be arranged by the Morgancreek Parties and the Blue Ocean Parties. See Item 10 “Source and Amount of Funds or Other Consideration” beginning on page 41 of this Schedule 13E-3.

The Filing Persons' Position on the Fairness of the Merger (Page 7)

Rule 13e-3 under the Securities Exchange Act of 1934 requires each of the Filing Persons to make certain statements regarding, among other things, their belief as to the fairness of the Merger to the unaffiliated stockholders of the Company (that is, any holder of Shares, including Shares in the form of ADSs, other than the Morgancreek Parties or any other affiliates), referred to herein as the "Public Stockholders". The Filing Persons are making these statements solely for the purpose of complying with the requirements of Rule 13e-3 and related rules under the Securities Exchange Act.

As described more fully below, each Filing Person believes that the Merger is both substantively and procedurally fair to the Public Stockholders, based on the following factors:

- The Merger will enable the Public Stockholders to immediately receive (without the payment of any brokerage fees or commissions typically associated with market sales and without being subject to any financing condition) cash for their Shares (including Shares represented by ADSs).
- ADSs of the Company have limited liquidity for the Public Stockholders and it may be difficult for the Public Stockholders to sell significant blocks of ADSs of the Company.
- The Morgancreek Parties' collective beneficial ownership of approximately 66.1% of the total outstanding Shares, representing approximately 91.8% of the total voting power of all outstanding Shares after the closings under the Carlyle SPA and the Solar Honor SPA and the implementation of the Authorized Repurchase and Issue and immediately prior to the Merger, eliminates the possibility that a proposal to acquire the Shares by an independent entity could succeed without the consent of the Morgancreek Parties.
- The Filing Persons are not aware of any other firm offer that have been made in the last two years for: (1) the merger or consolidation of the Company with or into another company, or vice versa; (2) the sale or other transfer of all or any substantial part of the assets of the Company; or (3) a purchase of the Company's securities that would enable the holder to exercise control of the Company.

- The Merger would shift the risk of the future financial performance of the Company from the Public Stockholders, who do not have the power to control decisions made regarding the Company's business, entirely to the Filing Persons who have the power to control the Company's business.
- The Public Stockholders are entitled to exercise dissenters' rights and demand fair value for their Shares of the Company as determined under the Cayman Companies Law, which may be determined to be more or less than the cash amount offered in the Merger.

See "Special Factors - Fairness of the Merger - Position of Filing Persons as to the Fairness of the Merger," beginning on page 23 of this Schedule 13E-3.

Consequences of the Merger (Page 8)

Completion of the Merger will have the following effects:

- Merger Sub will be merged with and into CCM with CCM being the surviving entity of the Merger and wholly-owned by Morgancreek;
- Each Shares of CCM (other than the Excluded Shares) will be converted into the right to receive \$1.73 per Share in cash and each ADS (other than any ADS that represents Excluded Shares) will be converted into the right to receive \$5.19 per ADS in cash (less \$0.05 per ADS cancellation fees pursuant to the terms of the deposit agreement governing the ADSs), and in each case, without interest and net of any applicable withholding taxes;
- Each holder of Shares (including Shares in the form of ADSs) representing the Shares, other than the Morgancreek Parties, (a) would no longer have any equity interest in, or be shareholders of, CCM upon completion of the Merger and (b) would not have the opportunity to participate in the earnings and growth of CCM or the right to vote on corporate matters after the completion of the Merger. These unaffiliated shareholders and unaffiliated ADS holders would not be exposed to the risk of loss in relation to their investment in CCM after the completion of the Merger; and
- Following the completion of the Merger, ADSs representing the Shares will be delisted from the New York Stock Exchange and the Shares and the ADSs will be deregistered under the Securities Exchange Act. Thus, CCM will no longer be subject to the burden and expense of reporting and other disclosure requirements of the Securities Exchange Act, including requirements to file annual and other periodic reports or to provide the type of disclosure contained in this Schedule 13E-3.

Dissenters' Rights (Pages 9)

You have a statutory right to dissent from the Merger and demand payment of the fair value of your Shares of the Company as agreed between you and the Company or, if no agreement can be reached, as determined in a judicial appraisal proceeding in accordance with Section 238 of the Cayman Companies Law. This value may be more or less than the \$1.73 per Share or \$5.19 per ADS (less \$0.05 per ADS cancellation fees pursuant to the terms of the deposit agreement governing the ADSs) in cash consideration offered in the Merger. In order to qualify for these rights, you must deliver a written notice of dissent containing such information as required under Section 238 of the Cayman Companies Law, within 20 days immediately following the date on which the Notice of Merger and Dissenters' Rights and a Letter of Transmittal is given and otherwise comply with the procedures for exercising dissenters' rights in Section 238 of the Cayman Companies Law. A copy of Section 238 of the Cayman Companies Law is attached as Exhibit (f) hereto. Any failure to comply with its terms will result in an irrevocable loss of such right. Stockholders seeking to exercise their statutory right of dissent are encouraged to seek advice from legal counsel. See Item 4 "Terms of the Transaction—Requirements for Exercising Dissenters' Rights" beginning on page 37 of this Schedule 13E-3.

As a result of the Merger, the ADSs will cease to be listed on the New York Stock Exchange, the Class A Ordinary Shares will terminate registration with the SEC, and CCM will no longer be required to file reports with the SEC. The effective date of the Merger is expected to occur at any time beginning the latest to occur of (i) at least 30 days following the filing of this Schedule 13E-3, or such later time as may be required to comply with Rule 13e-3 under the Securities Exchange Act and all other applicable laws, (ii) the implementation of the Authorized Repurchase and Issue, (iii) the closing of the Carlyle SPA and the Solar SPA, (iv) the execution of the definitive agreement for the Proposed Contribution, and (v) the consent, execution and adoption of the agreement and plan of merger governing the terms of the Merger by the board of directors of each of Merger Sub and CCM.

Upon the consummation of the Merger, each Shares of (other than the Excluded Shares) will be converted into the right to receive \$1.73 per Share in cash and each ADS (other than any ADS that represents Excluded Shares) will be converted into the right to receive \$5.19 per ADS in cash (less \$0.05 per ADS cancellation fees pursuant to the terms of the deposit agreement governing the ADSs), and in each case, without interest and net of any applicable withholding taxes.

CCM will be the surviving corporation in the Merger. Under Section 233(7) of Cayman Companies Law, no action is required by the shareholder of CCM (other than Merger Sub) for the Merger to become effective. As a result of the Merger, Morgancreek will be the only shareholder of CCM.

Purposes, Alternatives, Reasons, and Effects of the Merger

Background of the Merger

From time to time, the Chairman has been reviewing his investments in CCM as well as CCM's status as a public company. More recently, the Chairman recognized that (i) CCM has incurred significant costs for, but has derived only minimal benefits from, being a public company and (ii) the ADSs have failed to attract interest from retail investors, institutional investors or market analysts and as a result an active and liquid market for the ADSs has not developed, and began to consider potential actions that could be taken to mitigate the effect of these disadvantages.

Beginning in mid-June of 2016, the Chairman consulted with Cleary Gottlieb Steen & Hamilton LLP ("Cleary") about general issues related to going-private transactions involving U.S.-listed China-based companies to understand the general structure, process, timetable and costs of recent going private transactions.

Between late-June 2016 and early-July 2016, the Chairman and Blue Ocean Management Limited held preliminary discussions regarding the possibility of transactions involving the Company, including an acquisition of the Company. The discussions concerned, among other things, recent market trends, recent activities of other U.S.-listed China-based companies, the Company's long term strategic plans, and the structure, timetable, pros and cons of transactions involving the Company, including an acquisition of the Company. In the meantime, the Chairman had preliminary discussions with Carlyle and Solar Honor regarding their indications of interest in disposing of their respective investments in CCM.

On July 11, 2016, Blue Ocean Management Limited, the Chairman and Morgancreek entered into a binding memorandum of understanding (the "MoU"), which sets forth the general terms and conditions pursuant to which the parties proposed to take CCM private, including the proposed purchase price of \$1.73 per Share (or \$5.19 per ADS). Blue Ocean Management Limited also agreed in the MoU to participate in the proposed privatization of CCM and coordinate with the Chairman and Morgancreek to arrange the financing for the proposed privatization. On the same day, Morgancreek entered into the Carlyle SPA to purchase 13,086,350 Class A Ordinary Shares from Carlyle, and entered into the Solar Honor SPA to purchase 14,163,325 Class A Ordinary Shares from Solar Honor. Also on the same day, Blue Ocean Management Limited, Chairman and Morgancreek submitted to the board of directors of CCM a non-binding proposal to acquire all the outstanding Shares of CCM not owned by the Morgancreek Parties at \$1.73 per Share (or \$5.19 per ADS), which represented a premium of approximately 33.8% over the closing price of \$3.88 per ADS of CCM on July 8, 2016, the last trading day prior to the date of the non-binding proposal. As indicated in that proposal, Blue Ocean Management Limited, the Chairman and Morgancreek intended to fund the acquisition with debt or equity capital or a combination thereof. Those parties intended to effect the acquisition by way of a short-form merger pursuant to Section 233(7) of the Cayman Companies Law because Morgancreek was expected to hold more than 90% of the voting power of all outstanding Shares of CCM after the closing of the Carlyle SPA and the Solar SPA as well as the implementation of the Authorized Repurchase and Issue. On that same day, CCM issued a press release announcing its receipt of the proposal letter and disclosed the transaction proposed therein. Later on that day, the Morgancreek Parties filed an Amendment No. 2 to the Schedule 13D with the SEC in connection with the transactions described above. Since then, the Morgancreek Parties held multiple meetings and telephonic meetings with the Blue Ocean Parties regarding the financing arrangements for the proposed privatization, including discussions with potential bank lenders to provide senior debt financing.

On February 9, 2017, Morgancreek, the Chairman, Blue Ocean SPV and Blue Ocean Fund entered into the Blue Ocean Note Subscription Agreement, pursuant to which Blue Ocean SPV agreed to subscribe to the Blue Ocean Notes to be issued by Morgancreek. The proceeds of the Blue Ocean Notes will be used to finance the share purchases contemplated by the Carlyle SPA and the Solar SPA, to partially repay the existing indebtedness of Morgancreek and to pay interest payment and fees and expenses under or in connection with the Blue Ocean Notes. On February 9, 2017, the Morgancreek Parties jointly filed Amendment No. 4 to the Schedule 13D with the SEC announcing the transaction contemplated by the Blue Ocean Note Purchase Agreement and related transactions.

Purposes of the Merger

The purpose of the Merger is to effect a going-private transaction with respect to the Company. Prior to the Merger, Morgancreek will propose to enter into a contribution agreement with Merger Sub to contribute, subject to certain conditions, all the Shares it holds to Merger Sub. Upon such Proposed Contribution, Merger Sub will directly hold approximately 66.1% of the total outstanding Shares, representing approximately 91.8% of the total voting power of all outstanding Shares. Morgancreek intends to cause Merger Sub to merge with the Company in a “short-form” merger, with the Company continuing as the surviving corporation after the Merger, as a means of acquiring all of the other Shares (including Shares in the form of ADSs) of the Company not owned directly or indirectly by the Morgancreek Parties and the Merger Sub immediately after the Proposed Contribution and providing a source of immediate liquidity to the holders of such Shares. Following the Merger, the Company will be a wholly-owned subsidiary of Morgancreek.

Upon completion of the Merger, the Morgancreek Parties will cause the Company to request the New York Stock Exchange to file a notification on Form 25 with the SEC reporting that the ADSs of the Company is no longer listed on the New York Stock Exchange, and to file a Form 15 with the SEC requesting the termination of the Company’s reporting obligations under the Securities Exchange Act. Upon the effectiveness of that termination, the Company will no longer be required to file periodic reports with the SEC. In contemplating the going-private transaction, the Filing Persons believe that the Company is burdened by certain aspects of public company status and neither the Company nor holders of its Shares (including Shares represented by ADSs) have received significant benefits from its public company status. Specifically, as a public reporting company the Company is required to comply with periodic reporting, internal control evaluation, audit and other requirements. The Company is also required to publish business and financial results that are visible not only to its investors, but also to prospective customers and competitors. At the same time, the Company has not enjoyed the benefits it anticipated from its public company status. Because of the inability to generate significant investor interest, the Company has not been able to secure access to additional capital.

By completing the going-private transaction, the Filing Persons intend to:

- Increase the profitability of the Company by eliminating the operating burdens and expenses associated with public company status; and
- Provide immediate liquidity to the holders of the Company's Shares (including Shares represented by ADSs) by paying a fair value for their Shares.

Alternatives

The Filing Persons considered the advantages and disadvantages of certain alternatives to acquiring the minority interests of the Public Stockholders. In the view of the Filing Persons, the principal advantage of leaving the Company as a company listed on the New York Stock Exchange would be for the potential investment liquidity of owning securities of a public company and for the possibility of using the Company's securities to raise capital or make acquisitions. However, the Filing Persons do not expect the stockholder liquidity or access to capital to change significantly in the foreseeable future. The Filing Persons also noted that companies of similar size and public float to the Company do not typically receive the necessary attention from stock analysts and the investment community to create substantial liquidity. Therefore, the Filing Persons concluded that the advantages of leaving the Company as a public company were outweighed by the disadvantages of doing so, and accordingly that alternative was rejected.

The Filing Persons believe that effecting the transaction by way of a "short-form" merger under Section 233(7) of Cayman Companies Law is also the quickest and most cost-effective way for Merger Sub to acquire the outstanding minority equity interest in the Company, as well as an equitable and fair way to provide liquidity, in the form of cash merger consideration, to the Public Stockholders for their Shares of the Company. Compared with a "short-form" merger, a tender offer or "long-form" merger takes much more time to complete and involves substantially greater costs. Although a reverse stock split may involve a smaller aggregate cash payment to the Public Stockholders, the Filing Persons decided not to use a reverse stock split to privatize the Company due to the following concerns: (i) a reverse stock split requires the Company to amend its memorandum and articles of association which may take much more time than a "short-form" merger; (ii) a reverse stock split may leave certain stockholders with one or more "odd lots," which are generally difficult to sell; and (iii) the Filing Persons may have to effect a merger in any event following the completion of a reverse stock split in order to gain 100% ownership in the Company. Therefore, the Filing Persons determined that a "short-form" merger would be the quickest and most cost-effective manner to achieve the purposes described above.

In determining whether to acquire the outstanding public minority equity interest in the Company and to effect the Merger, the Filing Persons considered the following factors to be the principal benefits of taking the Company private:

- To decrease costs associated with being a public company. For example, as a privately-held company, the Company (as the surviving entity of the Merger) would not be required to file quarterly, annual, or other periodic reports with the SEC, publish and distribute to its stockholders annual reports and proxy statements, or comply with certain provisions of the Sarbanes-Oxley Act of 2002, or SOX. Estimated cost savings per year include approximately \$1,060,000 for expenses associated with audit and SOX compliance, \$1,570,000 for expenses associated with personnel and public company management, \$220,000 for expenses associated with public company legal representation, and \$43,000 for general public company compliance expenses (such as stock transfer agent services, and printing, mailing and preparation of proxy statements, annual reports and other SEC reports). Certain individuals of the management of the Company spend more than half of their time involved with activities related to active public company management. The Filing Persons therefore anticipate that going-private would result in cost savings of approximately \$2,893,000 per year for the Company.
- To eliminate additional burdens on management associated with public reporting and other tasks resulting from the Company's public company status, including, for example, the dedication of time and resources to stockholder inquiries and investor and public relations.
- To provide greater flexibility for management of the Company to focus on the business and the long-term business goals of the Company (as opposed to quarterly earnings), without the diversion of the significant time required to comply with the reporting obligations of a public company.
- To reduce the amount of public information available to competitors of the Company's businesses that would result from the termination of the Company's obligations under the reporting requirements of the Securities Exchange Act, and the rules and regulations promulgated thereunder and any other requirements of the SEC.
- To provide increased and immediate liquidity for investors. The Merger would result in immediate, enhanced liquidity for the Public Stockholders. The Filing Persons believed that the market for the Shares is so illiquid that all of Public Stockholders would not be able to sell their Shares within a short period of time at or above the merger consideration. In addition, the per ADS merger consideration represents a premium of 13.3% over the Company's closing price of \$4.58 per ADS on February 8, 2017, the last trading day prior to the filing of the Schedule 13E-3 on February 9, 2017, and a premium of 13.8% to the average closing price of the ADSs on a basis during the 30 trading days prior to the filing of the Schedule 13E-3 on February 9, 2017.
- The fact that the Merger offers the holder of the Shares or the ADSs the opportunity to sell their Shares or ADSs for one price at the same time, without the payment of any brokerage fee or commission, and thereby directly benefits such holders. This Rule 13e-3 transaction is structured as a "short-form" merger under Section 233(7) of Cayman Companies Law. This form of merger allows the Public Stockholders to receive cash for their Shares or ADSs quickly and allows the Company to become a privately held company without any action by the Public Stockholders.
- The lack of interest by institutional investors in companies with a limited public float, in particular, following Morgancreek's acquisitions of Class A Ordinary Shares from Carlyle and Solar Honor pursuant to the Carlyle SPA and the Solar SPA.

The Filing Persons also weighed a variety of risks and other potentially negative factors for the Public Stockholders and the Filing Persons concerning the Merger, including the fact that:

- Following the consummation of the Merger, the Public Stockholders will cease to participate in any future earnings of or benefit from any increases in the value of the Company; only the Filing Persons would benefit by an increase in the value of the Company;
- For U.S. federal income tax purposes generally, the cash payments made to the Public Stockholders pursuant to the Merger will result in a taxable transaction to such stockholders;
- The board of directors of the Company was not required under Cayman Companies Law to consider the proposed effect of the Merger upon any particular group having an interest in the corporation as a dominant factor, such as the Public Stockholders, and the board of directors of the Company did not appoint an independent committee to consider the proposed effect of the Merger on the Public Stockholders;
- The Public Stockholders will be required to surrender their Shares (including Shares represented by ADSs) involuntarily in exchange for a cash price determined by the Filing Persons;
- The Public Stockholders will not have the right as a result of the Merger to liquidate their Shares at a time and for a price of their choice;
- Under Section 238 of Cayman Companies Law, a Public Stockholder who is entitled to dissent and obtain payment pursuant to Section 238 of Cayman Companies Law, may not challenge the Merger which created the entitlement to dissent other than seeking relief on the grounds that the Merger is void or unlawful;
- The Filing Persons will be the sole beneficiaries of the cost savings that result from privatizing the Company; and
- The Company will no longer be subject to the provisions of the SOX or the liability provisions of the Securities Exchange Act.

Many of the factors in favor of taking the Company private have been present in the Company's history for some time. Although the Filing Persons could have effectuated a "short-form" merger at other times prior to the current proposed Merger, the Filing Persons only recently considered a potential going-private transaction in a serious way after beginning to more critically assess and evaluate the business performance and operations of the Company, the ongoing costs of keeping the Company as a public company and the lack of liquidity to the stockholders of the Company. In addition to the costs of keeping the Company as a public company, the Filing Persons also considered the significant difficulty that the Company would have in raising capital in the market for working capital needs given the limited liquidity of its Shares and the recent negative market outlook on PRC companies that have listed in the United States. On July 11, 2016, the Filing Persons concluded their analysis and determined that the costs of keeping the Company as a public company (as discussed above) exceeded the benefits and therefore decided to pursue the possibility of a "short-form" merger without delay in order to realize the benefit of taking the Company private. On the same day, the Filing Persons jointly filed Amendment No. 2 to the Schedule 13D with the SEC announcing their intention to acquire all of the outstanding Shares not owned by the Filing Persons by way of a "short-form" merger, with the Company continuing as the surviving corporation and a wholly-owned subsidiary of Morgancreek as a result of the Merger.

General

The Morgancreek Parties (and upon the implementation of the Authorized Repurchase and Issue, through Merger Sub) expect to beneficially own 66.1% of the total outstanding Shares, representing approximately 91.8% of the total voting power of all outstanding Shares immediately after the Proposed Contribution.

Upon completion of the Merger, the Morgancreek Parties will have beneficial ownership of an aggregate of 100% of the outstanding Shares and complete control over the conduct of the Company’s business. The table below sets out the indirect interest in the Company’s net book value and net income for the Morgancreek Parties immediately before and after the Merger, based on the historical net book value and net income of the Company as of December 31, 2015.

	Ownership Prior to the Merger				Ownership After the Merger			
	Net Book Value		Net Earnings (Loss)		Net Book Value		Net Earnings (Loss)	
	\$'000	%	\$'000	%	\$'000	%	\$'000	%
Morgancreek Parties	146,305	66.1%	(8,089)	66.1%	221,339	100%	(12,238)	100%

Effect of the Merger on Unaffiliated Stockholders

Upon completion of the Merger, the Public Stockholders will no longer have an interest in, and will not be stockholders of, the Company. They will not be able to participate in any future earnings and potential growth of the Company (as the surviving corporation of the Merger), but will also no longer bear the risk of any decreases in the value of the Company. In addition, the Public Stockholders will not share in the distribution of proceeds resulting from future sales of businesses of the Company, if any. See Item 6 “Purposes of the Transaction and Plans or Proposals - Plans,” beginning on page 40 of this Schedule 13E-3. All other incidents of stock ownership with respect to such Public Stockholders, such as the rights to vote on certain corporate decisions, to elect directors, to receive distributions upon the liquidation of the Company and to receive dissenters’ rights upon certain mergers or consolidations of the Company (except for dissenters’ rights perfected in connection with the Merger), will be extinguished upon completion of the Merger. After completion of the Merger, the Public Stockholders will lose the rights and protections that the federal securities laws provide to security holders of public companies, the substantive disclosure requirements that the federal securities laws, including the SOX, require of public companies, and the reporting obligations for directors, officers and principal security holders of public companies. For example, after completion of the Merger, the Company will no longer be subject to the provisions of the SOX and certain of the liability provisions of the Securities Exchange Act. In addition, persons acquiring 5% of the Company’s Shares will no longer be required to report their beneficial ownership under the Securities Exchange Act. Further, the receipt of the payment for shares will be a taxable transaction for U.S. federal income tax purposes for Public Stockholders that are U.S. Holders as defined under “Special Factors—Material U.S. Federal Income Tax Consequences”. See “Special Factors—Material U.S. Federal Income Tax Consequences”, beginning on page 19 of this Schedule 13E-3.

Upon completion of the Merger, the Public Stockholders will have liquidity, in the form of the merger consideration, in place of an ongoing equity interest in the Company.

Effect of the Merger on the Shares

Once the Merger is effective, public trading of the ADSs on the New York Stock Exchange will cease. There will no longer be price quotations for the ADSs and the Company will undertake certain filings to terminate the registration of its common stock under the Securities Exchange Act. As a result, the Company will no longer be required to file annual, quarterly, and other periodic reports with the SEC under Section 13(a) of the Securities Exchange Act. The Company will no longer be subject to the provisions of the SOX or the liability provisions of the Securities Exchange Act. In addition, the Filing Persons will no longer be subject to reporting requirements regarding their ownership of the Shares under Section 13 of the Securities Exchange Act.

Plans after the Merger

Immediately after the completion of the Merger, Morgancreek will own 100% of the equity interest in the surviving company. After the completion of the Merger, the Filing Persons anticipate that CCM will continue its current operations, except that (i) it will suspend its reporting obligations under Section 12(g) of the Securities Exchange Act after filing a Form 15 with the SEC, (ii) its ADSs will be delisted from the New York Stock Exchange and there will be no public market for its ADSs; and (iii) it will have substantially more debt than it currently has. After the completion of the Merger, the directors of Merger Sub immediately prior to the completion of the Merger will become the directors of the surviving company, and the Filing Persons currently anticipate that officers of CCM immediately prior to the completion of the Merger will remain the officers of the surviving company until the earlier of their resignation or removal or until their respective successors are duly elected or appointed and qualified, as the case may be.

Except as otherwise described in this Schedule 13E-3, the Filing Persons have not, as of the date of this Schedule 13E-3, approved any specific plans or proposals or engaged in any negotiation for:

- any extraordinary corporate transaction involving CCM after the completion of the Merger;
- any sale or transfer of a material amount of assets currently held by CCM after the completion of the Merger;
- any material change in CCM's dividend rate or policy, or indebtedness or capitalization; or
- any other material change in CCM's corporate structure or business.

The Filing Persons reserve the right to continue to evaluate the business and operations of CCM with a view to maximizing its potential, and they will take such actions as they deem appropriate under the circumstances and market conditions then existing.

Material U.S. Federal Income Tax Consequences

The following is a discussion of certain material U.S. federal income tax consequences to a U.S. Holder (as defined below) of the exchange of the Shares or ADSs for cash in the Merger. This discussion is based upon the provisions of the Internal Revenue Code of 1986, as amended (the “Code”), and the laws, regulations, rulings, and judicial interpretations thereof in effect on the date of this Transaction Statement, and the Agreement Between the Government of the United States of America and the Government of the People’s Republic of China for the Avoidance of Double Taxation and Prevention of Tax Evasion with Respect to Taxes on Income, dated April 30, 1984 (the “Treaty”) (as amended by any protocols), all of which are subject to change (possibly with retroactive effect) and to differing interpretations. In addition, this discussion only applies to holders of the Shares or ADSs that own the Shares or ADSs as capital assets, and does not address tax consequences that may be relevant to holders of the Shares or ADSs that may be subject to special tax treatment under the Code, such as holders who are brokers, dealers or traders in securities or foreign currency, traders in securities that elect to apply a mark-to-market method of accounting, insurance companies, tax-exempt organizations, banks, financial institutions, real estate investment trusts, regulated investment companies, grantor trusts, holders that own or are treated as owning 10% or more of our voting common shares, holders who hold the Shares or ADSs as part of a hedge, straddle, conversion, or other risk reduction transaction or holders who acquired Shares or ADSs pursuant to the exercise of options or otherwise as compensation. Moreover, the following discussion does not address the U.S. federal income tax consequences applicable to directly or indirectly holding an ownership interest in the Company after the Merger or the tax consequences of the Merger under U.S. federal estate and gift tax laws, state, local or non-U.S. tax laws, the tax consequences of the Medicare contribution tax applicable to net investment income of certain non-corporate U.S. Holders and the alternative minimum tax, or the tax consequences of any transactions occurring prior to, concurrently with or after the Merger (whether or not such transactions are in connection with the Merger).

For purposes of this discussion, a “U.S. Holder” is a beneficial owner of the Shares or ADSs that is a citizen or individual resident of the United States,; a U.S. domestic corporation or otherwise is subject to U.S. federal income taxation on a net income basis in respect of such Shares or ADSs; and that is fully eligible for benefits under the Treaty.

If a partnership (or other entity treated as a partnership for U.S. federal income tax purposes) is a beneficial owner of the Shares or ADSs, the U.S. tax treatment of a partner in such partnership will generally depend on the status of the partner and the activities of the partnership. A partnership holding the Shares or ADSs or a partner in such partnership should consult its tax advisors as to the particular U.S. federal income tax consequences of the Merger.

The receipt of cash by a U.S. Holder pursuant to the Merger or pursuant to the exercise of statutory dissenters’ rights will be a taxable transaction for U.S. federal income tax purposes. Subject to the discussion under “Passive Foreign Investment Company” below, a U.S. Holder generally will recognize gain or loss for U.S. federal income tax purposes equal to the difference between the amount of cash that the U.S. Holder receives in the Merger and that U.S. Holder’s adjusted tax basis in that U.S. Holder’s Shares or ADSs. Such gain or loss will generally be capital gain or loss and generally will be long-term capital gain or loss if, at the effective date of the Merger, the U.S. Holder has held the Shares or ADSs for more than one year. Long-term capital gains recognized by a non-corporate U.S. Holder (including an individual) currently are eligible for a reduced rate of U.S. federal income tax. If a U.S. Holder acquired different blocks of the Shares or ADSs at different times and different prices, such U.S. Holder must determine the adjusted tax basis and holding period separately with respect to each such block of the Shares or ADSs.

It is not clear if PRC tax will be imposed on any gain from the disposition of a U.S. Holder's shares or ADSs (as discussed below in "Material PRC Tax Consequences"). If any such tax were imposed, for purposes of the foreign tax credit limitation, any gain or loss recognized by a U.S. Holder on a disposition of common shares or ADSs will be treated as U.S. source gain or loss for U.S. foreign tax credit limitation purposes. However, if we are treated a "resident enterprise" of the PRC for PRC tax purposes, we may be eligible for the benefits of the Treaty. In such event, if PRC tax were to be imposed on any gain from the disposition of the common shares or ADSs, a U.S. Holder that is eligible for the benefits of the Treaty may elect to treat the gain as PRC source income for foreign tax credit purposes. U.S. Holders are encouraged to consult their tax advisors regarding the tax consequences if PRC tax is imposed on gain on a disposition of the Shares or ADSs, including the availability of the foreign tax credit under their particular circumstances.

The cash payments made to a U.S. Holder pursuant to the Merger or pursuant to the exercise of statutory dissenters' rights will be subject to information reporting requirements and backup withholding unless the U.S. Holder provides the paying agent with an accurate taxpayer identification number and makes any other required certification or otherwise established that an exemption from backup withholding applies. Backup withholding is not an additional tax and the amount of any backup withholding from a payment to a U.S. Holder will be allowed as a credit against such U.S. Holder's U.S. federal income tax liability and may entitle such U.S. Holder to a refund, provided that the required information is timely furnished to the IRS. U.S. Holders should consult their tax advisors regarding their qualification for exemption from backup withholding and the procedure for obtaining such an exemption.

Passive Foreign Investment Company

Based on the financial statements and the projected composition of the income and valuation of the assets of the Company, including goodwill, the Morgancreek Parties believe that the Company was not a passive foreign investment company ("PFIC") for United States federal income tax purposes for our taxable year ending December 31, 2015, and the Morgancreek Parties do not expect that the Company has become one for its 2016 or current taxable year. However, there can be no assurances in this regard. In general, the Company will be a PFIC for any taxable year in which at least 75% of its gross income is passive income at least 50% of the value of its assets (based on an average of the quarterly values) is attributable to assets that produce or are held for the production of passive income (which includes cash). For this purpose, passive income generally includes dividends, interest, royalties and rents (other than royalties and rents derived in the active conduct of a trade or business and not derived from a related person).

If the Company were a PFIC for any taxable year during which a U.S. Holder has held its ordinary shares or ADSs, such U.S. Holder will be subject to special tax rules with respect to any gain realized pursuant to the Merger or pursuant to the exercise of statutory dissenters' rights. Under these special tax rules, the gain will be allocated ratably over the U.S. Holder's holding period for the ordinary shares or ADSs. The amount allocated to the current taxable year, and any taxable year prior to the first taxable year in which the Company was a PFIC, will be treated as ordinary income. The amount allocated to each other year will be subject to tax at the highest tax rate in effect for that year and the interest charge generally applicable to underpayments of tax will be imposed on the resulting tax attributable to each such year. A U.S. Holder will also be required to file Internal Revenue Service Form 8621 if such Holder holds our ordinary shares or ADSs in any year in which we are classified as a PFIC.

U.S. Holders are urged to consult their own tax advisors concerning the United States federal income tax consequences of receiving of cash pursuant to the Merger or pursuant to the exercise of statutory dissenters' rights if we are considered a PFIC in any taxable year.

THE U.S. FEDERAL INCOME TAX CONSEQUENCES SET FORTH ABOVE ARE INCLUDED FOR GENERAL INFORMATION PURPOSES ONLY AND ARE BASED UPON CURRENT LAW. BECAUSE INDIVIDUAL CIRCUMSTANCES MAY BE DIFFERENT, EACH BENEFICIAL OWNER OF SHARES IS ENCOURAGED TO CONSULT SUCH BENEFICIAL OWNER'S TAX ADVISOR AS TO THE SPECIFIC TAX CONSEQUENCES TO EACH SUCH BENEFICIAL OWNER OF THE MERGER, INCLUDING THE APPLICATION OF STATE, LOCAL, FOREIGN AND OTHER TAX LAWS.

Material Pre Tax Consequences

Under the EIT Law, enterprises established outside of China whose “de facto management bodies” are located in the PRC are considered “resident enterprises,” and thus will generally be subject to the enterprise income tax at the rate of 25% on their global income. The implementation rules for the EIT Law define the “de facto management body” as an establishment that has substantial management and control over the business, personnel, accounts and properties of an enterprise. The State Administration of Taxation issued the Notice Regarding the Determination of Chinese-Controlled Offshore Incorporated Enterprises as PRC Tax Resident Enterprises on the Basis of De Facto Management Bodies on April 22, 2009, which provides certain specific criteria for determining whether the “de facto management body” of a Chinese-controlled offshore incorporated enterprise is located in China. Under the EIT Law and its implementation regulations, the PRC income tax at the rate of 10% is applicable to any gain recognized on receipt of consideration by a “non-resident enterprise” from transfer of its equity in a PRC resident enterprise, provided that the “non-resident enterprise” does not have a de facto management body in the PRC and also (a) does not have an establishment or place of business in the PRC or (b) has an establishment or place of business in the PRC, but the relevant income is not effectively connected with the establishment or place of business, to the extent such gain is derived from sources within the PRC. Under the Individual Income Tax Law, an individual who disposes a capital asset in China is subject to PRC individual income tax at the rate of 20%. Relief from these taxes may be sought under applicable Income Tax Treaties with China. As there has not been a definitive determination of the Company’s status by the PRC tax authorities, the Company cannot confirm whether it would be considered a PRC resident enterprise under the EIT Law or whether the gain recognized on the receipt of consideration for the Shares would otherwise be subject to PRC tax to holders of such Shares that are not PRC tax residents.

In addition, under the Circular on Strengthening the Administration of Enterprises Income Tax on Non-resident Enterprises’ Equity Transfer Income (“Circular 698”) issued by the State Administration of Taxation, which became effective as of January 1, 2008, the Circular Concerning Various Questions on the Administration of Enterprises Income Tax on Non-resident Enterprises (“Bulletin 24”) issued by the State Administration of Taxation, which became effective as of April 1, 2011, and the Bulletin on Certain Issues Relating to Indirect Transfer of Assets by Non-resident Enterprises (“Circular 7”) issued by the State Administration of Taxation to replace certain provisions under Circular 698 and Bulletin 24, which became effective on February 3, 2015, if any non-resident enterprise transfers equity of a resident enterprise, the non-resident enterprise may be subject to a 10% PRC income tax on the gain from such equity transfer, unless the amount of the equity interest to be transferred and the transfer price are determined pursuant to standard trading rules of a public security market and not by the purchaser and the seller by mutual agreement prior to such transactions. According to Circular 7, where a non-resident enterprise indirectly holds and transfers equity of a PRC resident enterprise held through an offshore holding company, a list of factors set out by Circular 7 should be taken into consideration to assess whether the transfer arrangement would be deemed as having a reasonable commercial purpose. Where a non-resident enterprise indirectly transfers equity interests in a PRC resident enterprise through the implementation of a scheme without a reasonable commercial purpose and resulting in the avoidance of the enterprise income tax liability, the competent taxation authorities will have the power to re-characterize the transaction as a direct transfer of PRC resident enterprises’ equity and impose a 10% income tax on the gain from such offshore share transfer.

While Circular 7 does not, on its terms, apply to individual transferors (as Circular 7 explicitly states that it applies to non-PRC resident enterprise), there is very little guidance and practical experience in that regard. Circular 7 may be determined by the tax authorities to be applicable to the Merger where non-PRC resident corporate stockholders were involved, if the Merger is determined by the PRC tax authorities as lack of a reasonable commercial purpose. As a result, if the PRC tax authorities were to invoke Circular 7 and impose tax on the receipt of consideration for the Shares, then any gain recognized on the receipt of consideration for such Shares pursuant to the Merger by the Company's stockholders who are not PRC residents could be treated as PRC-source income that would be subject to PRC enterprise income tax at a rate of 10%, unless otherwise specified by the applicable tax conventions and treaties.

YOU ARE ENCOURAGED TO CONSULT YOUR OWN TAX ADVISOR FOR A FULL UNDERSTANDING OF THE TAX CONSEQUENCES OF THE MERGER TO YOU, INCLUDING ANY PRC TAX CONSEQUENCES.

Fairness of the Merger

Position of Filing Persons as to the Fairness of the Merger

Under the SEC rules, the Filing Persons are deemed to be engaged in a going-private transaction, which, if consummated, will result in the suspension of the SEC reporting obligations of the Company and its affiliates. Rule 13e-3 of the Securities Exchange Act requires the Filing Persons to provide certain information regarding their position as to the fairness of the proposed Merger to the Public Stockholders. The Filing Persons are making the statements included in this section solely for the purpose of complying with the requirements of Rule 13e-3 and related rules under the Securities Exchange Act.

As used in this Schedule 13E-3, the term “Public Stockholders” means any holder of Shares, including Shares in the form of ADSs, other than the Morgancreek Parties or any other affiliate of the Company.

Factors Considered In Determining Fairness

The Filing Persons believe that the proposed Merger is both substantively and procedurally fair to the Public Stockholders based on the following factors:

- *The Merger Consideration.* The Merger will enable the Public Stockholders to immediately receive (without the payment of any brokerage fees or commissions typically associated with market sales) cash for their Shares (including Shares represented by ADSs).
- *Current and Historical Market Prices of the Share.* The merger consideration, at \$1.73 per Share, or \$5.19 per ADS, represents a premium of approximately 33.8% over the Company’s closing price of \$3.88 per ADS on July 8, 2016, the last trading day prior to the announcement of the non-binding proposal by the Chairman, a premium of 13.3% over the Company’s closing price of \$4.58 on February 8, 2017, the last trading day prior to the filing of the Schedule 13E-3 on February 9, 2017, and a premium of 13.8% to the average closing price of the ADSs during the 30 trading days prior to the filing of the Schedule 13E-3 on February 9, 2017. The merger consideration is all cash, which provides a specific amount of cash consideration for the Shares held by, and liquidity to, the Public Stockholders and allows the Public Stockholders not to be exposed to risks and uncertainties relating to the prospects of the Company.
- *No Firm Offers.* The Filing Persons considered the absence of any third party buyer for the Company during the past two years to support the fairness of the Merger to the Public Stockholders because the absence of a third party buyer demonstrated that the proposed Merger with Merger Sub was the only likely source of prompt liquidity for the Shares that was simultaneously available to all of the Public Stockholders. In support of this factor, the Filing Persons considered the fact that no offer has been made in the last two years for: (1) the merger or consolidation of the Company with or into another company, or vice versa; (2) the sale or other transfer of all or any substantial part of the assets of the Company; or (3) a purchase of the Company’s securities that would enable the holder to exercise control of the Company. Further, the Filings Persons believe that “shopping” the Company would not only entail substantial time delays and detract from the amount of time and energy by management of the Company focused on the Company’s business, but would also disrupt and discourage the Company’s employees and create uncertainty among the Company’s end customers without any benefit to the Public Stockholders. The fact that the Filing Persons did not seek a buyer foreclosed the opportunity to consider an alternative transaction with a third party purchaser of the Company or otherwise provide liquidity in the form of a third party offer to the Public Stockholders. Accordingly, it is unlikely that finding a third party buyer for the Company was a realistic option for the Public Stockholders.

- *Elimination of Future Financial Performance Risks of the Company.* The Merger would shift the risk of the future financial performance of the Company from the Public Stockholders, who do not have the power to control decisions made regarding the Company's business, entirely to the Filing Persons who have the power to control the Company's business.
- *No Reporting Obligations.* After the Merger, the Company will no longer be subject to the costly reporting and other disclosure requirements of the Securities Exchange Act, including those instituted under the SOX.

The Filing Persons did not consider the Company's net book value, which is an accounting concept based on historical costs, as a factor because it believed that net book value is not a material indicator of the Company's value as a going concern but rather is indicative of historical costs (and does not, for example, take into account the future prospects of the Company, market trends and conditions or business risks inherent in a competitive market) and therefore, in their view, is not a relevant measure in the determination as to the fairness of the Merger.

In their consideration of the fairness of the proposed Merger, the Filing Persons did not undertake an appraisal of the assets of the Company to determine the Company's liquidation value for the Public Stockholders due to the impracticability of determining a liquidation value given the significant execution risk involved in any breakup. In addition, the Filing Persons did not consider the Company's liquidation value to be a relevant valuation method because they consider the Company to be a viable going concern where value is derived from cash flows generated from its continuing operations, and because the Company will continue to operate its business following the Merger.

The Filing Persons did not establish, and did not consider, a pre-merger going concern value for the Shares to determine the fairness of the merger consideration to the Public Stockholders. The Filing Persons determined the merger consideration based on the price it was willing to pay to acquire the Company, the debt financing it was able to obtain to complete the transaction and its determination that the merger consideration is fair to the Public Stockholders based on the factors disclosed above. However, to the extent the pre-merger going concern value was reflected in the pre-announcement price of the Shares, the merger consideration represented a premium to the going concern value of the Company.

The Filing Persons also noted that the purchase price per Share under the Carlyle SPA and the Solar Honor SPA, both of which were arm-lengths transactions, is the same as the proposed per Share merger consideration.

The Filing Persons have not performed, or engaged a financial advisor to perform, any third-party valuation analysis for the purposes of assessing the fairness of the Merger to the Public Stockholders or establishing the merger consideration. A financial advisor is not required under Cayman Companies Law to establish the merger consideration. In setting the merger consideration, the Filing Persons followed Cayman Companies Law that a controlling stockholder causing a “short-form” merger need not satisfy the “entire fairness” standard typically applicable to going-private transactions under U.S. laws. The Morgancreek Parties established the merger consideration by evaluating the factors above and determining a price which, in their opinion, was both fair to the Filing Persons and fair to the Public Stockholders.

The Filing Persons considered requesting that independent directors of the Company form a special committee for the purpose of determining the fairness of the Merger but decided not to pursue this option. In reaching such a conclusion, the Filing Persons considered the statutory right of a holder of 90% of the voting equity interests of a corporation to have the corporation merge with and into a subsidiary without approval of the owners of equity interests in the subsidiary under Section 233(7) of Cayman Companies Law. The board of directors of the Company was not required under Cayman Companies Law to consider the proposed effect of the Merger upon any particular group having an interest in the corporation (such as the Public Stockholders) as a dominant factor and the board of directors of the Company did not appoint an independent committee to consider the proposed effect of the Merger on the Public Stockholders. The Filing Persons determined that by disclosing to the Public Stockholders all information that is reasonably necessary in order to enable them to decide, on a fully informed basis, whether to exercise their dissenters’ rights, their obligation, if any, to the Public Stockholders is satisfied. In addition, the Filing Persons believed that the cost of hiring counsel and advisors, and the diversion of management resources to assist the special committee, would be a drain on the resources of the Company.

The foregoing discussion of the information and factors considered and given weight by the Filing Persons in connection with its evaluation of the fairness of the Merger to the Public Stockholders is not intended to be exhaustive, but include all material factors considered. The Filing Persons found it impracticable to assign, and did not assign, relative weights to the foregoing factors considered in reaching its conclusions as to the fairness of the Merger to the Public Stockholders. Rather, the Filing Persons made the fairness determinations after considering all of the foregoing factors as a whole.

In addition to the foregoing factors and analyses that support the Filing Persons’ belief that the Merger is fair to the Public Stockholders, the Filing Persons, acting individually, have also weighed the following negative factors:

- *No Future Participation in the Prospects of the Company.* Following the consummation of the Merger, the Public Stockholders will cease to participate in any future earnings or growth, if any, of the Company (as the surviving entity of the Merger), or benefit from an increase, if any, in the value of their holdings in the Company.
- *Actual or Potential Conflicts of Interest.* The Filing Persons may be deemed to own approximately 66.1% of the total outstanding Shares, representing approximately 91.8% of the total voting power of all outstanding Shares, of the Company immediately after the Proposed Contribution and, immediately following the Merger, will own 100% of the Company (as the surviving entity). Accordingly, and as disclosed herein, the interests of the Filing Persons in determining the merger consideration are adverse to the interests of the Public Stockholders.

- *No opportunity for the Public Stockholders to vote on the Merger.* Because the Merger is being effected pursuant to a “short-form” merger under Section 233(7) of Cayman Companies Law, the Merger does not require approval by the Company’s stockholders. The Public Stockholders will not therefore have the opportunity to vote on the Merger.
- *No special committee representing the interests of Public Stockholders.* The Company’s board of directors did not establish a special committee consisting of non-management, independent directors for the purpose of representing solely the interests of the Public Stockholders and retaining independent advisers to assist with the evaluation of strategic alternatives, including the Merger.
- *No fairness opinion.* The Filing Persons did not engage any third parties to perform any financial analysis of, or prepare any reports, opinions, or appraisals concerning the Merger or value of the Shares.

After weighing these negative factors and giving them due consideration, the Filing Persons (each acting individually) have concluded that none of these factors, alone or in the aggregate, is significant enough to outweigh the factors and analyses that the Filing Persons have considered to support their belief that the Merger is fair to the Public Stockholders.

Specifically with respect to procedural fairness, the Filing Persons did not consider it necessary to (i) explicitly require adoption of the Merger by at least a majority of the Public Stockholders or (ii) establish a special committee or otherwise retain an unaffiliated representative to act solely on behalf of the Public Stockholders for purposes of negotiating the terms of the Merger or prepare a report concerning the fairness of the Merger, because these procedural safeguards would delay and increase the costs of the Merger to the detriment of the Company and the Public Stockholders. Further, the Filing Persons believe the Merger is procedurally fair because the Public Stockholders will be entitled to exercise dissenters’ rights under Section 238 of Cayman Companies Law. In addition, the Filing Persons have prepared this Schedule 13E-3 in accordance with Rule 13e-3 under the Securities Exchange Act, and intend to mail the definitive Schedule 13E-3 to the stockholders of the Company at least 20 days prior to the effective time of the Merger. Therefore, the Filing Persons have determined that the Merger is fair to the Public Stockholders from procedural perspective because it is in compliance with all requirements from procedural perspective under Rule 13e-3 of the Securities Exchange Act and the Cayman Companies Law, in each case to the extent applicable to a “short-form” merger to be effected under the Cayman Companies Law.

In view of the number and wide variety of factors considered in connection with making a determination as to the fairness of the Merger to the Public Stockholders, and the complexity of these matters, the Filing Persons did not find it practicable to, nor did they attempt to, quantify, rank, or otherwise assign relative weights to the specific factors they considered. Moreover, the Filing Persons have not undertaken to make any specific determination or assign any particular weight to any single factor, but have conducted an overall analysis of the factors described above.

REPORTS, OPINIONS, APPRAISALS, AND NEGOTIATIONS

The Filing Persons have not engaged any third parties to perform any financial analysis of, or prepare any reports, opinions, or appraisals concerning the Merger or value of the Shares or ADSs and, accordingly, the Filing Persons have not received any report, opinion, or appraisal from any outside party relating to the fairness of the merger consideration being offered to the Public Stockholders or the fairness of the Merger to CCM, the Filing Persons, or to the Public Stockholders.

Item 4. Terms of the Transaction

Material Terms

Morgancreek plans to enter into a contribution agreement with Merger Sub to contribute, subject to certain conditions, all the Shares it holds to Merger Sub, which will include:

- 45,787,948 Class B Ordinary Shares upon the implementation of the Authorized Repurchase and Issue;
- 13,982,928 Class A Ordinary Shares issuable upon the cancellation of 4,660,976 ADSs it holds as of the date hereof;
- 13,086,350 Class A Ordinary Shares to be acquired from Carlyle pursuant to the Carlyle SPA; and
- 14,163,325 Class A Ordinary Shares to be acquired from Solar Honor pursuant to the Solar Honor SPA.

Upon such Proposed Contribution, Merger Sub will directly hold approximately 66.1% of the total outstanding Shares, representing approximately 91.8% of the total voting power of all outstanding Shares.

The Morgancreek Parties plan to propose that the board of directors of Merger Sub and board of directors of CCM consent to, execute and adopt an agreement and plan of merger once all financing required for the Merger has been secured. The agreement and plan of merger will govern the terms of the Merger and will be effective upon the completion of the Proposed Contribution. At any time beginning the latest to occur of (i) at least 30 days following the filing of this Schedule 13E-3, or such later time as may be required to comply with Rule 13e-3 under the Securities Exchange Act and all other applicable laws, (ii) the implementation of the Authorized Repurchase and Issue, (iii) the closing of the Carlyle SPA and the Solar SPA, (iv) the execution of the definitive agreement for the Proposed Contribution, and (v) the consent, execution and adoption of the agreement and plan of merger governing the terms of the Merger by the board of directors of each of Merger Sub and CCM, the Morgancreek Parties expect to cause Merger Sub to merge with and into CCM in a “short-form” merger under Section 233(7) of the Cayman Companies Law. Holder of Shares of CCM will not be entitled to vote their Shares with respect to the Merger, but will be entitled to dissenters’ rights in accordance with Section 238 of the Cayman Companies Law. CCM will be the surviving corporation in the Merger without approval of the holders of Shares of CCM. Before the effective date of the Merger, a copy of the agreement and plan of merger for the Merger will be provided to each holder of Shares of CCM pursuant to Section 233(7) of the Cayman Companies Law.

Following the filing of the agreement and plan of merger with the Registrar of Companies, together with a director's declaration on behalf of each of CCM and Merger Sub and all other documentation required under Section 233(9) of the Cayman Companies Law to the satisfaction of the Registrar of Companies, and subject to the payment of all applicable fees, the Registrar of Companies will register the agreement and plan of merger and issue a certificate of merger pursuant to Section 233(11) of the Cayman Companies Law. The Company's ADSs are currently listed on New York Stock Exchange under the symbol "CCM". It is expected that, immediately following the completion of the merger, CCM will cease to be a publicly traded company and will instead become a privately held company wholly owned directly by Morgancreek and beneficially by the Morgancreek Parties. Following the completion of the Merger, the Company's ADSs will cease to be listed on the New York Stock Exchange, and price quotations with respect to sales of CCM's ADSs in the public market will no longer be available. In addition, registration of the Company's ADSs and the underlying Shares under the Exchange Act will be terminated. After the effective time of the Merger, CCM will no longer be required to file periodic reports with the SEC or otherwise be subject to U.S. federal securities laws, including the Sarbanes-Oxley Act of 2002, applicable to public companies. After the completion of the Merger, the holder of the Shares or ADSs will no longer enjoy the rights or protections that U.S. federal securities laws provide.

Upon completion of the Merger, each of the outstanding Shares and ADSs of CCM, other than the Excluded Shares, will be cancelled in exchange for the right to receive \$1.73 per Share or \$5.19 per ADS (in the case of ADSs, less \$0.05 per ADS cancellation fees pursuant to the terms of the deposit agreement), as applicable, in cash, without interest and net of any applicable withholding taxes. At the effective time of the Merger, the Excluded Shares other than the Dissenting Shares will be cancelled for no consideration. At the effective time of the Merger, each ordinary share of Merger Sub issued and outstanding immediately prior to the effective time will be converted into one fully paid and non-assessable ordinary share of the surviving company. As a result, current shareholders and ADS holders of CCM, other than Morgancreek Parties, (a) would no longer have any equity interest in, or be shareholders of, CCM upon completion of the Merger and (b) would not have the opportunity to participate in the earnings and growth of CCM or the right to vote on corporate matters after the completion of the Merger. These unaffiliated shareholders and unaffiliated ADS holders would not be exposed to the risk of loss in relation to their investment in the Company after the completion of the Merger.

If the Merger is completed, the current memorandum and articles of association of CCM will be replaced in its entirety by the memorandum and articles of association of Merger Sub, as in effect prior to the completion of the Merger (except for the article with respect to the name of the surviving company). In addition, after the effective time of the Merger, the directors of Merger Sub immediately prior to the effective time of the merger will become the directors of CCM, which is the surviving company, and the Morgancreek Parties anticipate that the officers of CCM immediately prior to the effective time of the Merger will remain the officers of the Company, in each case until the earlier of their resignation or removal or until their respective successors are duly elected or appointed and qualified, as the case may be.

If you are a registered holder of Shares, promptly after the effective time of the Merger, a paying agent to be appointed by Morgancreek or the Merger Sub will mail you (a) a form of letter of transmittal for the purpose of specifying how the delivery of the merger consideration to you is to be effected and (b) instructions for effecting the surrender of any share certificates in exchange for the applicable merger consideration.

If your Shares are represented by share certificates, unless you validly exercise and have not effectively withdrawn or lost your dissenters' rights in accordance with Section 238 of the Cayman Islands Companies Law, upon your surrender of the share certificates (or an affidavit and indemnity of loss in lieu of the share certificates) together with a duly completed letter of transmittal, the paying agent will send you the per Share merger consideration of \$1.73 in cash, without interest and net of any applicable withholding taxes, for each Share represented by the share certificate in exchange for the cancellation of your share certificates after completion of the merger. If you hold your Shares in book-entry form, that is, without a share certificate, unless you validly exercise and have not effectively withdrawn or lost your dissenters' rights in accordance with Section 238 of the Cayman Islands Companies Law, the paying agent will automatically send you the per Share merger consideration of \$1.73 in cash, without interest and net of any applicable withholding taxes, in exchange for the cancellation of each of your Shares after completion of the merger.

If your Shares are held in "street name" by your broker, bank or other nominee, you will receive instructions from your broker, bank or other nominee on how to surrender your Shares and receive the merger consideration for those Shares.

If your ADSs are represented by certificates, also referred to as ADRs, unless you have surrendered your ADRs to the ADS depository for cancellation prior to the effective time of the Merger, upon your surrender of the ADRs (or an affidavit and indemnity of loss in lieu of the ADRs) together with a duly completed letter of transmittal (which will be supplied to you by the ADS depository after the effective time of the merger), the ADS depository will send to you a check for the per ADS merger consideration of \$5.19 in cash, without interest and net of any applicable withholding taxes (less \$0.05 per ADS cancellation fees payable by holders of ADSs pursuant to the deposit agreement), in exchange for the cancellation of your ADRs after the completion of the Merger. If you hold your ADSs in un-certificated form, that is, without an ADR, unless you have surrendered your ADSs to the ADS depository for cancellation prior to the effective time of the merger, the ADS depository will automatically send to you a check for the per ADS merger consideration of \$5.19 in cash, without interest and net of any applicable withholding taxes (less \$0.05 per ADS cancellation fees payable by holders of ADSs pursuant to the deposit agreement), in exchange for the cancellation of your ADSs after the completion of the Merger. The per ADS merger consideration may be subject to backup withholding taxes if you have not provided a properly completed U.S. Internal Revenue Service Form W-9 or applicable Form W-8. In the event of a transfer of ownership of ADSs that is not registered in the register of ADS holders maintained by the ADS depository, the check for any cash to be exchanged upon cancellation of the ADSs will be issued to such transferee only if the ADRs, if applicable, are presented to the ADS depository, accompanied by all documents reasonably required to evidence and effect such transfer and to evidence that any applicable ADS transfer taxes have been paid or are not applicable.

If your ADSs are held in "street name" by your broker, bank or other nominee, you will not be required to take any action to receive the merger consideration for your ADSs as the ADS depository will arrange for the surrender of the ADSs and the remittance of the per ADS merger consideration with The Depository Trust Company (the clearance and settlement system for the ADSs) for distribution to your broker, bank or nominee on your behalf. If you have any questions concerning the receipt of the per ADS merger consideration, please contact your broker, bank or nominee.

For U.S. federal income tax purposes generally, the receipt of the cash consideration by U.S. Holders of the Ordinary Shares pursuant to the Merger will be a taxable sale of the U.S. Holders' Ordinary Shares. See "Special Factors—Material U.S. Federal Income Tax Consequences" on page 19 of this Schedule 13E-3.

Requirements for Exercising Dissenters' Rights

The following is a brief summary of the rights of holders of the Shares to object to the Merger and receive cash equal to the fair value of their Shares ("Dissenters' Rights"). This summary is not a complete statement of the law, and is qualified in its entirety by the complete text of Section 238 of the Cayman Companies Law, a copy of which is attached as Exhibit (f) to this Schedule 13E-3. If you are contemplating the possibility of objecting to the Merger, you should carefully review the text of Exhibit (f), particularly the procedural steps required to perfect Dissenters' Rights. These procedures are complex and you should consult your Cayman Islands legal counsel. If you do not fully and precisely satisfy the procedural requirements of the Cayman Companies Law, you will lose your Dissenters' Rights.

Requirements for Exercising Dissenters' Rights

A dissenting registered shareholder of the Company is entitled to payment of the fair value of his Shares upon dissenting to the proposed Merger.

The exercise of your Dissenters' Rights will preclude the exercise of any other rights by virtue of holding Shares in connection with the Merger, other than the right to seek relief on the grounds that the Merger is void or unlawful. To preserve your Dissenters' Rights, the following procedures must be followed:

- Within 20 days of the effective date of the Merger, the Company will deliver a Notice of Merger and Dissenters' Rights and Letter of Transmittal ("Merger Notice") to all Shareholders;
- Within 20 days immediately following the date on which the Merger Notice is given (the "Dissent Period"), any Shareholder (a "Dissenting Shareholder") may give a written notice of his decision to dissent (a "Notice of Dissent") to the Company stating his name and address, the number and class of Shares with respect to which he dissents and demanding payment of the fair value of his Shares. A Dissenting Shareholder must dissent in respect of all the Shares which he holds;
- Within seven days immediately following the date of expiry of the Dissent Period, the Company, as the surviving corporation, must make a written offer (a "Fair Value Offer") to each Dissenting Shareholder to purchase their Shares at a price determined by the Company to be the fair value of such Shares;

- If, within 30 days immediately following the date of the Fair Value Offer, the Company and the Dissenting Shareholder fail to agree on a price at which the Company will purchase the Dissenting Shareholder's Shares, then, within 20 days immediately following the date of the expiry of such 30-day period, the Company must, and the Dissenting Shareholder may, file a petition with the Grand Court of the Cayman Islands (the "Grand Court") for a determination of the fair value of the Shares held by all Dissenting Shareholders who have served a Notice of Dissent and who have not agreed with the Company as to fair value;
- If a petition is timely filed, the Grand Court will determine at a hearing which shareholders are entitled to Dissenters' Rights and will determine the fair value of the Shares held by those shareholders.

All notices and petitions must be executed by or for the shareholder of record, fully and correctly, as such shareholder's name appears on the register of members of the Company. If the Shares are owned of record in a fiduciary capacity, such as by a trustee, guardian or custodian, these notices must be executed by or for the fiduciary. If the Shares are owned by or for more than one person such notices and petitions must be executed by or for all joint owners. An authorized agent, including an agent for two or more joint owners, may execute the notices or petitions for a shareholder of record; however, the agent must identify the record owner and expressly disclose the fact that, in exercising the notice, he is acting as agent for the record owner. A person having a beneficial interest in Shares held of record in the name of another person, such as a broker or nominee, must act promptly to cause the record holder to follow the steps summarized above and in a timely manner to perfect whatever Dissenters' Rights attached to the Shares.

If you do not satisfy each of these requirements, you cannot exercise Dissenters' Rights and will be bound by the terms of the Merger. You must send all notices to the Company to 18/F, Tower A, Global Trade Center, 36 North Third Ring Road East, Dongcheng District, Beijing 10013, People's Republic of China.

If you are considering dissenting, you should be aware that the fair value of your Shares determined under Section 238 of the Cayman Companies Law could be more than, the same as, or less than the \$1.73 in cash without interest for each Share of the Company that you would otherwise receive as consideration in the Merger. In addition, in any proceedings for determination of the fair value of Shares covered by a Notice of Dissent, the Company and the Filing Persons intend to assert that the merger consideration is equal to the fair value of each of your Shares.

The provisions of Section 238 of the Cayman Companies Law are technical and complex. If you fail to comply strictly with the procedures set forth in Section 238, you will lose your Dissenters' Rights. You should consult your Cayman Islands legal counsel if you wish to exercise Dissenters' Rights.

The commitment is conditioned upon, among others, the Chairman executing a personal undertaking and guarantee regarding the repayment of the Blue Ocean Notes and the privatization, including an exclusivity undertaking from the Chairman that he or his affiliates will not engage in any financing transaction similar to the Blue Ocean Notes for the privatization with any third parties, other than with potential bank lender(s) for the senior bank financing, until September 30, 2017. In addition, Blue Ocean SPV has an upsize option to subscribe to an additional \$42,000,000 Blue Ocean Notes, the proceeds of which will be used to partially repay certain existing indebtedness of Morgancreek. Either of Morgancreek and the Chairman on the one hand, or Blue Ocean SPV and Blue Ocean Fund on the other hand, may terminate the Blue Ocean Note Subscription Agreement if the closing of the \$56,650,000 principal amount of the Blue Ocean Notes fails to take place by March 6, 2017.

The Blue Ocean Notes have a term of four years, extendable at the option of Blue Ocean SPV to five years or six years, and bear interest rate at 6% per annum, which will be increased to 12% per annum for certain events. In addition, Blue Ocean SPV has an optional redemption right to redeem the Blue Ocean Notes at any time for certain events of default or other adverse developments, and both Blue Ocean SPV and Morgancreek may redeem the Blue Ocean Notes if the Merger is not completed by September 30, 2017.

Securities Ownership

As of the date hereof, the Filing Persons were, in the aggregate, owners of 45,787,948 Class A Ordinary Shares and 4,660,976 ADSs. ARTICLE 2

Interest

Section 2.1 Interest Rate. Interest will accrue on the outstanding principal amount of this Note every 6-month period (“**Interest Period**”) at an annual rate (“**Interest Rate**”) equal to six per cent (6%); provided, however, that Interest Rate will be adjusted as follows:

(a) in the event of a Restructuring Failure, the Interest Rate will increase to twelve per cent (12%), and that adjustment will be retroactive to the Issuance Date and will remain effective for all Interest Periods; and

(b) upon the occurrence of an Obligor Default, the Interest Rate for all Interest Periods during which Obligor Default occurs and commencing after the Obligor Default will increase to twelve per cent (12%) until all events giving rise to the Obligor Default have been rectified (“**Rectification**”), in which case the Interest Rate for all subsequent Interest Periods that commence after Rectification will be reduced back to six per cent (6%).

Upon any upward or downward adjustment of Interest Rate pursuant to this Section 2.1, it is agreed that Investor would promptly deliver a written notice of such adjustment to Issuer, which shall set forth the reason for the adjustment and the adjustment commencement date.

Section 2.2 Interest Payment. Issuer shall pay accrued interest on the outstanding principal amount under this Note, in U.S. Dollar in cash, at the applicable Interest Rate, on every June 30 and December 31 during the Term, and if that date is not a business day, on the preceding business day.

In addition to the foregoing:

(a) in the event of a Restructuring Failure and the delivery of a written notice by Investor to Issuer pursuant to Section 2.1, Issuer shall pay, within 3 months of the date of such event, an amount reflecting the difference between the interest previously received by Investor at the six per cent (6%) rate and the new amount computed at the twelve per cent (12%) rate. If that date is not a business day, it will be postponed to the next business day unless it would thereby fall into the next calendar month, in which case it will be brought forward to the preceding business day; and

(b) in the event of a redemption other than the Maturity Redemption, Issuer shall, as the case may be, pay any accrued and unpaid interest on the Redemption Amount on the Redemption Date.

Section 2.3 Computation. Interest will be computed based on the outstanding principal amount under this Note as at the beginning of each Interest Period. In the event that the Note is redeemed pursuant to Article 4, interest accrued during that Interest Period will be computed on the basis of the actual number of days elapsed on the basis of a 360-day year.

Section 2.4 Interest Rate Limitation. Notwithstanding anything contained herein to the contrary, Investor will never be entitled to collect or apply as interest under this Note any amount in excess of the maximum rate of interest permitted to be charged by applicable law. If Investor ever collects or applies as interest any such excess, the excess amount will be applied to reduce the principal balance; and if the principal balance is paid in full, any remaining excess shall be paid to Issuer forthwith. In determining whether the interest paid or payable in any specific case exceeds the highest lawful rate, Investor and Issuer shall to the maximum extent permitted under applicable law (a) characterize any non-principal payment as an expense, fee, or premium rather than as interest; and (b) spread the total amount of interest throughout the entire contemplated term of the obligation so that the interest rate is uniform throughout the term. Nothing in this Section 2.4 will be deemed to increase the total dollar amount of interest payable under this Note.

ARTICLE 3 Investment Return and Investment Term

Section 3.1 Term. Subject to Sections 4.2, 4.3 and 4.4, or upon the completion of the Restructuring which the term of this Note may be shortened and subject to Section 3.2 pursuant to which the term of this Note may be extended, this Note will have a term (the “**Term**”) of 4 years.

Section 3.2 Extension Rights of Investor. Investor may extend the Term in its sole discretion as follows:

(a) Investor may, at its sole discretion, extend the Term from 4 to 5 years by giving not less than 30 days of notice prior to the 4th anniversary of this Note; and

(b) If the Term has been extended to 5 years, Investor may, at its sole discretion, extend the Term from 5 to 6 years by giving not less than 30 days of notice after the 4th anniversary and prior to the 5th anniversary of this Note.

Section 3.3 Investment Return. Except in circumstances provided in Sections 4.2, 4.3(b) and 4.3(c) that would require Issuer’s payment of the Made-Whole Redemption Price, Investor will be entitled to a premium, which in aggregate of the interest accrued and outstanding under Article 2 and any incremental interest accrued and outstanding under Section 4.5, will provide to the Investor the following internal rate of return (each, a “**Return Rate**”):

(a) 13.5% per annum if applicable Interest Rate is 6% per annum during the applicable Interest Period; or

(b) 19.5% per annum if applicable Interest Rate is 12% per annum during the applicable Interest Period, calculated from the Issuance Date to the Redemption Date.

For the avoidance of doubt, if during that incomplete Interest Period the Interest Rate had been increased according to Section 2.1(a), then the Return Rate (after counting in the increase of Interest Rate) shall apply retroactively over all previous Interest Periods.

ARTICLE 4 **Redemption Rights**

Section 4.1 Maturity Redemption. At the end of the Term (the “**Maturity**”), Issuer shall, and is entitled to, redeem this Note (the “**Maturity Redemption**”) in whole at the Basic Redemption Price. For the avoidance of doubt, Issuer’s obligation to redeem this Note on Maturity is unconditional and will not require the delivery of any notice by Investor or the satisfaction of any conditions precedent. The term “**Basic Redemption Price**”, in respect of a Redemption Amount, is an amount that would result in Investor receiving a premium, which in aggregate of the interest accrued and outstanding under Clause 2 and any incremental interest accrued and outstanding under Section 4.5, will provide to the Investor the applicable Return Rate.

Section 4.2 Automatic Redemption. Notwithstanding anything in this Note to the contrary, in the event of a Bankruptcy (as defined in Section 6.6), without the need for any further notice or action by any party hereunder, Issuer shall automatically be required to immediately redeem this Note in whole at Made-Whole Redemption Price. The term “**Made-Whole Redemption Price**”, in respect of a Redemption Amount, is an amount that would have been received by Investor if the Redemption Amount were to be invested in this Note for the Presumed Duration and that would result in Investor receiving a premium, which in aggregate of the interest accrued and outstanding under Clause 2 and any incremental interest accrued and outstanding under Section 4.5, will provide to the Investor the applicable Return Rate.

The term “**Presumed Duration**” is (i) four (4) years, if the event triggering redemption takes place prior to the fourth (4th) anniversary of this Note; and (ii) five (5) years, if the Term of this Note has been extended pursuant to Section 3.2(a) to five (5) years and the redemption takes place after the fourth (4th) anniversary but prior to the fifth (5th) anniversary of this Note; and (iii) six (6) years, if the Term of this Note has been extended pursuant to Section 3.2(b) to six (6) years and the redemption take place after the fifth (5th) anniversary but prior to the sixth (6th) anniversary of this Note.

Section 4.3 Optional Redemption at the option of Investor. At any time or from time to time during the Term, Investor has the option to require Issuer to redeem this Note (an “**Optional Redemption**”), in whole or in part (except where expressly provided otherwise), at the applicable redemption price as set forth in Section 4.4 (an “**Optional Redemption Price**”), upon the occurrence of any of the following (each, an “**Optional Redemption Event**”):

(a) The Privatization has been terminated or has not been completed by the Privatization Deadline (a “**Privatization Failure**”), provided that (i) if Investor breaches any material terms of the Transaction Documents except for breach that does not contribute to the non-consummation of the Privatization, or (ii) if Issuer, despite using its best efforts, has not obtained sufficient financing to fund Privatization, including, but not limited to, the Bank Financing by the Privatization Deadline, a Privatization Failure shall not be deemed to have occurred; and provided further that in the event of a Privatization Failure, if Investor elects to exercise Optional Redemption, it shall redeem the Note in whole but not in part;

(b) Liquidation Event other than as a result of the transactions contemplated by Existing Indebtedness, Permitted Indebtedness, Share Purchase, A/B Exchange and other matters in connection with the Privatization, Merger and the Restructuring; or

(c) Issuer disposes, directly or indirectly, any of its ownership interest issued as at the date of the Note Subscription Agreement in Target or its subsidiaries to a third party in one or a series of related transactions, whether through a share sale, merger, consolidation or otherwise, unless (x) the disposition is a transaction to which Investor has consented, including the disposal of any or all of Issuer’s interest in Beijing Quan Yu Medical Information Technology Co., Ltd. (北京权宇医疗信息科技股份有限公司) and/or Beijing Meizhong Jiahe Hospital Management Co., Ltd., (y) the disposition is made as part of the Security Arrangement or as security for the Permitted Indebtedness, or (z) the disposition forms part of the transactions essential to give effect to the A/B Exchange, which are transactions in connection with the Privatization, Merger or the Restructuring;

(d) An Obligor Default which is continuing (as defined in Section 6.4), except for Issuer’s failure to obtain the consent and/or waiver of Haitong as required under the documents in relation to the Concurrent Financing; or

(e) Either or both Restructuring Milestones are not achieved at the timelines stipulated in Section 5.4, unless (x) if Issuer’s failure to achieve a Restructuring Milestone is caused solely by Investor’s non-cooperation or by a restriction under applicable laws, rules or regulations and (y) each of Issuer and other Obligors has complied with its obligations under the Transaction Documents, except for non-compliance that does not contribute to the failure of a Restructuring Milestone;

(f) An Adverse Development (as defined in Section 6.5);

(g) the applicable interest rate of the notes issued in the Concurrent Financing (the “**Haitong Notes**”) is increased under the terms thereunder. For the avoidance of doubt, the Haitong Notes currently give Issuer a one-time option to extend the maturity date of that series by a six-month period; any upward adjustment in the investment return rate resulting from this six-month extension is not an interest rate increase for the purposes of this Section 4.3(g) and will not be an Optional Redemption Event; or

(h) if prior to the stated maturity of the Haitong Notes, Haitong declares that the indebtedness thereunder to be immediately due and payable under the terms thereunder.

Section 4.4 Applicable Redemption Price.

The applicable Redemption Price for Optional Redemption is the following:

<u>Type of Optional Redemption</u>	<u>Applicable Optional Redemption Price</u>
Privatization Failure	Basic Redemption Price (at applicable Return Rate of 19.5%)
Liquidation Event	Made-Whole Redemption Price

(b) In case the Privatization is terminated or has not been contemplated by the Privatization Deadline, and if (x) Investor breaches any material terms of the Transaction Documents except for breach that does not contribute to the non-consummation of the Privatization, or (y) Issuer, despite using its best efforts, has not obtained sufficient financing to fund Privatization, including, but not limited to, the Bank Financing the Privatization Deadline, Issuer shall have the right to redeem this Note in full from the date of the Privatization Deadline by giving no less than 10 business days' written notice to Investor and paying Investor an amount equal to Redemption Amount plus all interests accrued and unpaid until the date of redemption computed at six per cent (6%) per annum on the basis of the actual number of days elapsed and a year of 360 days.

(c) In case that following the completion of the Privatization, either or both the Restructuring Milestones are not achieved at the timelines stipulated in Section 5.4 which however did not give rise to a Restructuring Failure, Issuer may redeem this Note by one of the following mechanisms, which is to be elected at Investor's sole discretion, (i) transferring or causing to transfer the number of ordinary shares of Target it directly or indirectly owns, as determined by dividing the Basic Redemption Price (at applicable Return Rate of 13.5%) by US\$1.73, or (ii) paying Investor an amount equal to Redemption Amount plus all interests accrued and unpaid until the date of redemption computed at six per cent (6%) per annum on the basis of the actual number of days elapsed and a year of 360 days, in each case as the full repayment of all principal amount and interests accrued under this Note.

In the event of a late payment by the Issuer, Investor will maintain all of its rights and remedies under this Note, and an incremental interest of ten per cent (10%) *per annum* above the applicable Interest Rate on the Redemption Amount will continue to accrue until the date the Investor receives the Optional Redemption Price in full.

Section 4.7 Obligations of Issuer. Upon the receipt of a notice of Optional Redemption, Issuer shall pay to Investor the applicable Optional Redemption Price by wire transfer in U.S. Dollars in immediately available funds to a bank account notified in writing by Investor no later than the date specified in the redemption notice which must be a date not less than 3 months of the notice. In the event of a partial redemption, Issuer shall, upon receipt of this Note by Issuer for cancellation, promptly issue and deliver to Investor a new Note representing the outstanding principal amount that has not been redeemed.

Section 4.8 Events giving rise to a Redemption. Sections 4.1, 4.2 and 4.3 shall be interpreted and applied independently, and no Section shall be deemed to limit or qualify any other subsection in any manner whatsoever. The rights of Investor under this Article shall be separate and in addition to all other remedies available under this Note, at law or in equity (including a decree of specific performance and/or other injunctive relief), and nothing herein shall limit Investor's right to pursue actual damages for any breaches or defaults by Issuer and other Obligors in the performance or observance of any of the provisions of this Note and other Transaction Documents.

At any time prior to the Charges becoming enforceable in accordance with Clause 8.1, Chargor shall be entitled to exercise or direct the exercise of the voting and other rights attached to any Securities as it sees fit provided that the exercise of or failure to exercise those rights would not have an adverse effect on the value of the relevant Securities or the Charged Assets and would not otherwise prejudice the interests of Investor under any Transaction Document other than contemplated by the Existing Indebtedness, Permitted Indebtedness, Share Purchase, A/B Exchange and other matters in connection with the Privatization, Merger and the Restructuring, or unless otherwise pursuant to the prior written consent of Investor.

- 5.3 Voting after Enforcement. Without prejudice to the terms of the Transaction Documents, at any time after the Charges become enforceable in accordance with Clause 8.1, and in relation to Securities standing to the credit of the Securities Account, after Investor has given written notice to the Custodian:
- (a) Investor or Receiver shall be entitled to exercise or direct the exercise of the voting and other rights attached to any Securities beneficially owned by Chargor in such manner as it or he sees fit; and
 - (b) Chargor shall comply or procure the compliance with any reasonable directions of Investor or Receiver in respect of the exercise of those rights and shall promptly execute and/or deliver to Investor or Receiver such forms of proxy as it or he requires with a view to enabling such person as it or he selects to exercise those rights.

If any Securities legally owned by Chargor are not held in Chargor's name other than pursuant to this Deed, Chargor shall promptly execute and deliver to Investor an irrevocable power of attorney, expressed to be given by way of security and to take effect only after the Charges become enforceable in accordance with Clause 8.1 under this Deed and executed as a deed by the person in whose name those Securities are held. That power of attorney shall appoint Investor, each Receiver and each Delegate, as the attorney of the holder in respect of those Securities and shall be in such form as Investor requires, acting reasonably.

8.2 Power of Sale. The statutory power of sale, of appointing a Receiver and the other statutory powers conferred on mortgagees by Section 51 (*Powers of mortgagee and receiver*) and Section 53 (*Sale by mortgagee*) of the CPO and the Fourth Schedule (*Powers of mortgagee and receiver*) to the CPO as varied and extended by this Deed shall arise after the Charges become enforceable in accordance with Clause 8.1 and no restriction imposed by any ordinance or other statutory provision in relation to the exercise of any power of sale shall apply to this Deed.

8.3 Requirement of Notice Period. Investor is required to give five (5) business days prior notice of non-payment or default to Chargor before enforcing the Charges in accordance with Clause 8.1. Except as expressed in the Transaction Documents, there is no minimum period for which Secured Liabilities must remain due and unpaid before the Charges can be enforced and Paragraph 11 of the Fourth Schedule (*Powers of mortgagee and receiver*) to the CPO (and any similar provision under other laws) shall, to the extent permitted by laws, not apply to this Deed.

8.4 No Liability as Mortgagee in Possession. Nothing done by or on behalf of Investor pursuant to this Deed shall render it liable to account as a mortgagee in possession for any sums other than actual receipts.

Investor may with notice to Chargor, except where the appointment is requested by Chargor, by deed, or otherwise in writing signed by any officer or manager of Investor or any person authorised for this purpose by Investor, appoint one or more persons to be a Receiver. Investor may similarly remove any Receiver and appoint any person instead of any Receiver. If Investor appoints more than one person as Receiver, Investor may give those persons power to act either jointly or severally. The provisions of section 50 (*Power to appoint a receiver*) of the CPO (as varied and/or extended by this Deed) shall apply to any appointment made pursuant to this Deed.

9.2 Scope of Appointment. Any Receiver may be appointed Receiver of all of the Charged Assets or Receiver of a part of the Charged Assets specified in the appointment. In the latter case, the rights conferred on a Receiver as set out in Schedule 4 (*Rights of Receivers*) shall have effect as though every reference in that Schedule to any Charged Assets were a reference to the part of those assets so specified or any part of those assets.

9.3 Rights of Receivers. Any Receiver appointed pursuant to this Clause 9 shall have the rights, powers, discretions, privileges and immunities conferred on receivers by the CPO (as varied and/or extended by this Deed), all powers (if any) conferred on receivers by law or otherwise and shall also have the powers and rights set out in Schedule 4 (*Rights of Receivers*), all of which powers and rights are exercisable without further notice.

9.4 Agent of Chargor. Any Receiver shall be the agent of Chargor for all purposes. Chargor alone shall be responsible for Receiver's contracts, engagements, acts, omissions, defaults and losses and for liabilities incurred by Receiver.

9.5 Remuneration. Investor may determine the remuneration of any Receiver and direct payment of that remuneration out of moneys Receiver receives as Receiver. Chargor alone shall be liable for the remuneration and all other costs, losses, liabilities and expenses of Receiver.

10. **INVESTOR'S RIGHTS**

10.1 Same Rights as Receiver. Any rights conferred by any Transaction Document upon a Receiver may be exercised by Investor after the Charges become enforceable, whether or not Investor shall have taken possession or appointed a Receiver of the Charged Assets.

11. **ORDER OF DISTRIBUTIONS**

11.1 Application of Proceeds. All amounts received or recovered by Investor or any Receiver or Delegate in exercise of their rights under this Deed shall, subject to the rights of any creditors having priority, including for the avoidance of doubt the rights of any party under the first ranking charge provided pursuant to the Bank Financing, if applicable, be applied in the order provided in Clause 11.2 (*Order of Distributions*).

11.2 Order of Distributions. The order referred to in Clause 11.1 (*Application of proceeds*) is:

- (a) in or towards the payment of all costs, losses, liabilities and expenses of and incidental to the appointment of any Receiver or Delegate and the exercise of any of his rights, including his remuneration and all outgoings paid by him;

- (c) in payment of any surplus to Chargor or other person entitled to it.

12. **LIABILITY OF INVESTOR, RECEIVERS AND DELEGATES**

- 12.1 Possession. If Investor, any Receiver or any Delegate takes possession of the Charged Assets, it or he may at any time relinquish possession. Without prejudice to Clause 12.2 (*Investor's Liability*), Investor shall not be liable as a mortgagee in possession by reason of viewing or repairing any of the present or future assets of Chargor.
- 12.2 Investor's Liability. Neither Investor nor any Receiver or Delegate shall (either by reason of taking possession of the Charged Assets or for any other reason and whether as mortgagee in possession or otherwise) be liable to Chargor or any other person for any costs, losses, liabilities or expenses relating to the realisation of any Charged Assets or from any act, default, omission or misconduct of Investor, any Receiver, any Delegate or their respective officers, employees or agents in relation to the Charged Assets or in connection with the Transaction Documents except to the extent caused by its or his own fraud, gross negligence or wilful misconduct.

13. **POWER OF ATTORNEY**

- 13.1 Appointment. If and only if Investor is permitted to enforce the Charges in accordance with Clause 8.1, Chargor irrevocably appoints Investor, every Receiver and every Delegate severally its attorney (with full power of substitution), on its behalf and in its name or otherwise, at such time and in such manner as the attorney thinks fit on and from the date of enforcement:
- (a) to do anything which Chargor is obliged to do (but has not done) under any Transaction Document (including to execute charges over, transfers, conveyances, assignments and assurances of, and other instruments, notices, orders and directions relating to, the Charged Assets); and
 - (b) to exercise any of the rights conferred on Investor, any Receiver or any Delegate in relation to the Charged Assets or under any Transaction Document.

- 13.2 Ratification. Chargor ratifies and confirms and agrees to ratify and confirm whatever any such attorney shall do in the exercise or purported exercise of the power of attorney granted by it in Clause 13.1 (*Appointment*).

14. **PROTECTION OF THIRD PARTIES**

- 14.1 No Duty to Enquire. No person dealing with Investor, any Receiver or any Delegate shall be concerned to enquire:
- (a) whether the power or rights conferred by or pursuant to any Transaction Document are exercisable;
 - (b) whether any consents, regulations, restrictions or directions relating to such rights have been obtained or complied with;

- (c) otherwise as to the propriety or regularity of acts purporting or intended to be in exercise of any such rights; or
- (d) as to the application of any money borrowed or raised.

14.2 **Protection to Purchasers.** Subject to the provisions of this Deed, all the protection to purchasers contained in Sections 52 (*Protection of purchaser*), 53 (*Sale by mortgagee*) and 55 (*Mortgagee's receipt*) of the CPO or in any other applicable legislation shall apply to any person purchasing from or dealing with Investor, any Receiver or any Delegate.

15. **SAVING PROVISIONS**

15.1 **Continuing Security.** Subject to Clause 16 (*Discharge of Security*), the Charges are continuing Security and will extend to the ultimate balance of the Secured Liabilities, regardless of any intermediate payment or discharge in whole or in part.

15.2 **Reinstatement.** If any discharge, release or arrangement (whether in respect of the obligations of Chargor or any security for those obligations or otherwise) is made by Investor in whole or in part on the basis of any payment, security or other disposition which is avoided or must be restored in insolvency, liquidation, administration or otherwise, without limitation, then the liability of Chargor and the Charges shall continue or be reinstated as if the discharge, release or arrangement had not occurred.

15.3 **Waiver of Defenses.** Neither the obligations of Chargor under this Deed nor the Charges will be affected by an act, omission, matter or thing which, but for this Clause, would reduce, release or prejudice any of its obligations under the Charges (without limitation and whether or not known to it or Investor) including:

- (a) any time, waiver or consent granted to, or composition with, Chargor or any other person;
- (b) the release of Chargor under the terms of any composition or arrangement with any creditor of Target or its subsidiaries;
- (c) the taking, variation, compromise, exchange, renewal or release of, or refusal or neglect to perfect, take up or enforce any rights against, or security over assets of any other person or any non-presentation or non-observance of any formality or other requirement in respect of any instrument or any failure to realise the full value of any security;
- (d) the taking of, or neglect to perfect, take up or enforce any rights against, or security over assets of Chargor;
- (e) any incapacity or lack of power, authority or legal personality of or dissolution or change in the members or status of Chargor;
- (f) any amendment, novation, supplement, extension, restatement (however fundamental and whether or not more onerous) or replacement of any Transaction Document or any other document or security including without limitation any change in the purpose of, any extension of or any increase in any facility or the addition of any new facility under any Transaction Document or other document or security;

- (g) any unenforceability, illegality or invalidity of any obligation of Chargor under any Transaction Document or any other document or security; or
 - (h) any insolvency or similar proceedings.
- 15.4 Chargor's Intent. Without prejudice to the generality of Clause 15.3 (*Waiver of Defenses*), Chargor expressly confirms that it intends that the Charges shall extend from time to time to any (however fundamental) variation, increase, extension or addition of or to any of the Transaction Documents.
- 15.5 Immediate Recourse. Chargor waives any right it may have of first requiring Investor (or any trustee or agent on its behalf) to proceed against or enforce any other rights or security or claim payment from any person before claiming from Chargor under this Deed. This waiver applies irrespective of any law or any provision of a Transaction Document to the contrary.
- 15.6 Appropriations. Until all the Secured Liabilities have been irrevocably paid in full and all transactions which might give rise to Secured Liabilities have terminated and/or completed, Investor (or any trustee or agent on its behalf) may:
- (a) refrain from applying or enforcing any other moneys, security or rights held or received by Investor (or any trustee or agent on its behalf) in respect of those amounts, or apply and enforce the same in such manner and order as it sees fit (whether against those amounts or otherwise) and Chargor shall not be entitled to the benefit of the same; and
 - (b) hold in an interest-bearing suspense account any moneys received from Chargor or on account of Chargor's liability under this Deed.
- 15.7 Deferral of Chargor's Rights. Until all the Secured Liabilities have been irrevocably paid in full and all transactions which might give rise to Secured Liabilities have terminated and/or completed and unless Investor otherwise directs, Chargor will not exercise any rights which it may have by reason of performance by it of its obligations under the Transaction Documents or by reason of any amount being payable or liability arising, under this Deed:
- (a) to be indemnified by Obligor;
 - (b) to claim any contribution from any other provider of security for or guarantor of any other Obligor's obligations under the Transaction Documents;
 - (c) to take the benefit (in whole or in part and whether by way of subrogation or otherwise) of any rights of Investor under the Transaction Documents or of any other guarantee or security taken pursuant to, or in connection with, the Transaction Documents by Investor;

- (d) to bring legal or other proceedings for an order requiring any Obligor to make any payment, or perform any obligation, in respect of which Chargor has given a guarantee, undertaking or indemnity;
- (e) to exercise any right of set-off against any Obligor; and/or
- (f) to claim or prove as a creditor of any Obligor in competition with Investor.

If Chargor receives any benefit, payment or distribution in relation to such rights, it shall hold that benefit, payment or distribution to the extent necessary to enable all amounts which may be or become payable to Investor by the Obligors under or in connection with the Transaction Documents to be repaid in full on trust for Investor and shall promptly pay or transfer the same to Investor or as Investor may direct for application in accordance with Clause 11.2 (*Order of Distributions*).

15.8 Additional Security. The Charges are in addition to and are not in any way prejudiced by any other guarantees or security now or subsequently held by Investor in connection with the Transaction Documents.

16. DISCHARGE OF SECURITY

16.1 Final Redemption. If (i) the First Closing fails to take place before the Long Stop Date or on termination of the Note Subscription Agreement (whichever is earlier), (ii) after all the Secured Liabilities have been irrevocably paid in full, or (iii) immediately before the closing of the Privatization, as the case may be, Investor shall within two (2) business days of a request from Chargor and cost of Chargor:

- (a) release, reassign or discharge (as appropriate) the Charged Assets from the Charges;
- (b) do all things necessary to enable an expeditious release, reassignment or discharge (as appropriate) including executing and delivering all such deeds, agreements and other documents as may be considered necessary or desirable, including for the avoidance of doubt, a notice to Custodian that it has released to Chargor the rights relating to the Securities Account; and
- (c) return to Chargor any certificates, instrument of transfer, separate powers of attorney, deeds, agreements or any other documents granted or provided to the Investor or another party pursuant to this Deed.

16.2 Retention of Security. If Investor reasonably considers that any amount paid or credited to Investor under any Transaction Document is capable of being avoided or otherwise set aside on the Winding-up of Chargor, that amount shall not be considered to have been paid for the purposes of determining whether all the Secured Liabilities have been irrevocably paid.

16.3 Consolidation. Any restrictions on the consolidation of Security shall be excluded to the fullest extent permitted by law and Investor shall, so far as it is lawful and subject to other provisions of this Deed, be entitled to consolidate all or any of the Charges with any other Security whether in existence on the date of this Deed or in the future.

17. **ENFORCEMENT EXPENSES**

17.1 Expenses. Chargor shall, within three (3) business days of demand, pay to Investor the amount of all costs, losses, liabilities and expenses (including legal fees reasonably incurred and any stamp duty, transfer tax or similar tax payable in connection with the transfer of the Securities) incurred by Investor, any Receiver or any Delegate in relation to the administration, protection, realisation, enforcement or preservation of any rights under or in connection with this Deed, or any consideration by Investor as to whether to realise or enforce the same, and/or any amendment, waiver, consent or release this Deed.

18. **PAYMENTS**

18.1 Demands. Any certification or determination by Investor of a rate or amount under the Transaction Documents shall, in the absence of manifest error, be conclusive evidence of the matters to which it relates..

18.2 Payments. All payments by Chargor under this Deed (including damages for its breach) shall be made in U.S. Dollars and to such account, with such financial institution and in such other manner as Investor may direct.

18.3 Continuation of Accounts. At any time after:

- (a) the receipt by Investor of notice (either actual or otherwise) of any subsequent Security affecting the Charged Assets of Chargor; or
- (b) the presentation of a petition or the passing of a resolution in relation to the Winding-up of Chargor,

Investor may open a new account in the name of Chargor. If Investor does not open such a new account, it shall nevertheless be treated as if it had done so when the relevant event occurred. No moneys paid into any account, whether new or continuing, after that event shall discharge or reduce the amount recoverable pursuant to any Transaction Document to which Chargor is party.

19. **RIGHTS, WAIVERS AND DETERMINATIONS**

19.1 Severability of Provisions.

- (a) Each and every obligation under this Deed shall be treated as a separate obligation and shall be severally enforceable as such.
- (b) If a term of this Deed is or becomes illegal or unenforceable in any respect under any jurisdiction that will not affect:
 - (i) the legality, validity or enforceability in that jurisdiction of any other term of this Deed or the other Transaction Documents;
 - (ii) the legality, validity or enforceability in any other jurisdictions of that or any other term of this Deed or the other Transaction Documents.

(c) If a term of this Deed is or becomes illegal, invalid or unenforceable in any respect under any jurisdiction, it shall be replaced by a mutually acceptable provision, which being valid, legal, enforceable and in compliance with applicable government policy comes closest to the intention of the parties underlying such illegal, invalid or unenforceable provision.

19.2 **Exercise of Rights.** Neither the failure to exercise, nor any delay in exercising, on the part of Investor, Receiver or Delegate any right or remedy under any Transaction Document shall operate as a waiver of any such right or remedy or constitute an election to affirm any of the Transaction Documents. No waiver or election to affirm any of the Transaction Documents on the part of Investor, Receiver or Delegate shall be effective unless in writing. No single or partial exercise of any right or remedy shall prevent any further or other exercise or the exercise of any other right or remedy. The rights and remedies provided in the Transaction Documents are cumulative and not exclusive of any rights or remedies provided by law.

19.3 **Determinations.** Any determination by or certificate of Investor or any Receiver or Delegate under any Transaction Document made under this Deed for the purposes of protecting Investor's Security in the Charged Assets, or the enforcement of such Security under the terms of this Deed, is, in the absence of manifest error, conclusive evidence of the matters to which it relates.

20. **SEPARATE AND INDEPENDENT OBLIGATIONS**

The Security Interest created by Chargor by or in connection with any Transaction Document is separate from and independent of the Security Interest created or intended to be created by any other person by or in connection with any Transaction Document.

21. **COUNTERPARTS**

This Deed may be executed in any number of counterparts, and this has the same effect as if the signatures on the counterparts were on a single copy of this Deed.

23. **JURISDICTION**

The courts of Hong Kong are to have jurisdiction to settle any disputes which may arise out of or in connection with this Deed and, accordingly, any legal action or proceedings arising out of or in connection with this Deed may be brought in such courts.

24. **CONSENT**

In any case in which the consent, approval or waiver of Investor is required under this Deed, the granting of such consent, approval or waiver by Investor pursuant to the relevant provision under this Deed shall be deemed to constitute the granting of such consent, approval or waiver by Investor without any further action required by any party.
